Part IV **Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 2 - Grants and Other Assistance to Organizations, Governments and Individuals in the U.S. The Foundation has established processes to monitor grants to ensure that they are used for proper purposes and are not otherwise diverted from their intended use. The processes vary somewhat based on the source of the grant funds. Unrestricted community funds. Once a discretionary grant from unrestricted funds is approved, a letter agreement, outlining the terms and conditions of the grant, is sent to the grant recipient. It must be signed by the chief executive officer and volunteer head of the recipient's governing board. These grants are approved on the basis of a proposal as submitted. The recipient of any grant from the Foundation must agree to use the funds awarded for the specific project and in accordance with the budget submitted as part of the grant application. Grant funds are disbursed upon presentation of paid invoices accompanied by the Foundation's Grant Payment Request Form. The Foundation requires periodic progress reports until the completion of the project, and funding may be withheld if the recipient fails to make progress towards the intended project goals. The Foundation also requires the submission of a final report on the grant, which includes a detailed accounting of how the funds were expended compared to the original budget. Any requests for a modification in use of funds must be submitted in writing to the Foundation for approval in advance. Funds not used in the manner specified in the letter agreement, project, may be retained by the Foundation or be approved for reallocation by the Foundation. Grants awarded but unpaid are cancelled. The grant recipient must agree to notify the Foundation of any change in its exempt status and any change that may be proposed by the IRS. Donor advised funds. Foundation staff reviews all grant recommendations and follows additional due diligence procedures to assure that grants are made to qualified charities for proper purposes and impermissible material benefits to donors are not present. Grant recommendations are processed and approved (or denied) in accordance with the Foundation's Donor Advised Fund Guidelines. All grants from donor advised funds are reported to the Board of Trustees on a quarterly basis. Grants to qualified charities made for general operating support are paid once the grant has been approved. Grants to qualified charities made for specific projects are paid after the recipients demonstrate that the funded project was completed and submit paid invoices accompanied by the Foundation's Grant Payment Request Form. Grants awarded but unpaid are cancelled. Designated Funds. Grants from designated funds are paid to qualified charities in accordance with the terms of the applicable gift instruments. Foundation staff confirms the tax-exempt status and legal existence of charitable beneficiaries of grants before grants are paid to them.

Schedule I, Part III - Grants for scholarships are paid directly to the institution the student is attending. Payment of scholarship awards is conditioned upon proof of enrollment and, where appropriate, receipt of a transcript for the most recently completed semester, as well as satisfaction of any other ongoing qualifications for the scholarship.

Form 990, Part VI, Section B, Line 11b - A draft IRS Form 990 completed by the Foundation's VP Finance, with the assistance of the President, was distributed to the Audit Committee and the Foundation's independent auditors for review and comment. Suggested changes were then incorporated in a final Form 990 which was distributed as a pdf document by email to the Board of Trustees for review prior to submission to the IRS.

Form 990, Part VI, Section B, Line 12a - The Foundation has adopted a code of ethics and conflict of interest policy that: (1) defines conflicts of interest; (2) defines individuals within the Foundation covered by the policy; (3) facilitates disclosure of information that may help identify conflicts of interest and potential conflicts; and (4) specifies procedures to be followed in managing conflicts of interest. Each year the Foundation distributes its Code of Ethics and Conflict of Interest Policy to its Board of Trustees, members of its Audit, Budget and Finance, Investment and Grants Committees and staff, along with an annual disclosure statement. The completed statements are collected and kept in a locked file. It is the responsibility of Trustees, committee members, staff and members of their families associated with the Foundation to be alert to situations in which a conflict or potential conflict of interest could arise. The Foundation's conflict of interest policy requires disclosure of financial and other interests prior to any discussion of the matter under consideration and mandates abstention from decision-making actions when a potential for conflict exists. The Board or committee whose member may have a conflict has the right to review and discuss the matter of a conflict or potential without the affected individual being present. Trustees and committee members who believe that someone may have violated the Foundation's conflict of interest policy are directed to express their concern to the Chair of the Audit Committee or to the Chair of the Board of Trustees. Staff would report the issue to the Foundation's President. Steps would then be taken to determine whether a conflict or the potential for conflict exists, and whether to: (1) take no action; (2) assure full disclosure to the Board, committee or others; (3) ask the individual to recuse him/herself from participation in discussions or decision making concerning the matter at hand; or (4) ask the individual to resign from his or her position or, if the individual refuses to resign, become subject to possible removal in accordance with the Foundation's bylaws. The Foundation's President and Vice President Finance monitor proposed and ongoing transactions for conflicts of interest and would disclose them to the Chair of the Audit Committee and Chair of the Board of Trustees in order to deal with potential or actual conflicts, whether discovered before or after the transaction has occurred.

Form 990, Part VI, Section B, Line 12c - The Foundation has adopted a code of ethics and conflict of interest policy that: (1) defines conflicts of interest; (2) defines individuals within the Foundation covered by the policy; (3) facilitates disclosure of information that may help identify conflicts of interest and potential conflicts; and (4) specifies procedures to be followed in managing conflicts of interest. Each year the Foundation distributes its Code of Ethics and Conflict of Interest Policy to its Board of Trustees, members of its Audit, Budget and Finance, Investment and Grants Committees and staff, along with an annual disclosure statement. The completed statements are collected and kept in a locked file. It is the responsibility of Trustees, committee members, staff and members of their families associated with the Foundation to be alert to situations in which a conflict or potential conflict of interest could arise. The Foundation's conflict of interest policy requires disclosure of financial and other interests prior to any discussion of the matter under consideration and mandates abstention from decision-making actions when a potential for conflict exists. The Board or committee whose member may have a conflict has the right to review and discuss the matter of a conflict or potential without the affected individual being present. Trustees and committee members who believe that someone may have violated the Foundation's conflict of interest policy are directed to express their concern to the Chair of the Audit Committee or to the Chair of the Board of Trustees. Staff would report the issue to the Foundation's President. Form 990, Part VI, Section B, Line 15 - The Foundation has adopted a policy for setting the compensation for its chief executive, officers, and "key employees." The policy is designed to ensure that the Foundation's executive compensation arrangements are reasonable. It includes three key components: (1) review and approval of compensation by a committee designated by the Board of Trustees, provided that persons with conflicts of interest are not involved in this review or approval; (2) use of data as to comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations; and (3) contemporaneous documentation and record-keeping with respect to the deliberations and decisions. The Budget and Finance Committee followed this process.
