Form 990 (2017)

Form 990, Part III, Line 4a:

Outreach, Enrollment and Access For those who qualify, obtaining and using insurance coverage is a critical element of a sustainable health care system. This program provides outreach and enrollment around Medicaid, Qualified Health Plans, and other coverage programs available in our community. Enrolling in coverage is daunting to most people. It is nearly impossible for those most in need. Enrollment is not enough. In order to assure people can actually use the coverage they have, staff provides health literacy and navigation services. This program also provides premium assistance to people who qualify for tax credits through the Marketplace. Many families are right on the line in terms of income qualification for Medicaid. If they make \$10 more than allowed they have access to the Marketplace. However, the premiums, co-pays and co-insurance costs are not affordable for this population. We are able to pay premiums and arrange for co-pays, co-insurance and deductibles to be written off in many cases. Ideally, we are able to keep people connected to coverage and care as they go through the inevitable churn of qualifying for and then not qualifying Medicaid. we enrolled 15,794 applicants into a qualified health plan (QHP or the Oregon Health Plan) in fiscal year 2018.

Form 990, Part III, Line 4b:

Community Assistance Many times, when low-income people are discharged from a hospital stay or emergency room visit, they face barriers that can stand in the way of their recovery. With the Community Assistance Program, we support discharge planners, social workers, and care managers to connect low-income patients to the resources they need for a safe discharge. These resources may include transportation, temporary housing, and medication assistance. Providence Health & Services has been our development partner with this initiative and Kaiser Permanente is also using this resource. The same structure is also being utilized by HealthShare and FamilyCare as a way to support the non-medical needs of their Medicaid members. In the 2018 fiscal year, we provided 17,773 services (transportation, food, medications, and housing for safe hospital discharge).

Form 990, Part III, Line 4c:

Pathways The Pathways Community Hub is a national model that focuses on finding those in need, supporting their successful connection to care and services, then measuring the results to those efforts. Successful implementation of this approach means that people receive the care and services they need to be healthy in a way that is trauma-informed, culturally-specific, effective, and efficient. This approach has demonstrated improved health outcomes and reduced costs. We are implementing this model in partnership with social service and health care entities across the metro region. This networked approach allows us to address the social determinants of health in coordination with the health care delivery system. There were 153 families connected to services through partner navigation in fiscal year 2018.
