Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The Foundation has been granted tax-exempt status by the Internal Revenue Service pursuant to code section 501(c)(3) and also by the California revenue and tax code section 23701e. The Foundation has accounted for uncertainty in income taxes as required by the Accounting for Uncertainty in Income Taxes Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification. The Foundation uses a comprehensive model for recognizing, measuring, presenting and disclosing in the financial statements tax positions taken or expected to be taken on a tax return. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The effect of applying this model and the resulting identification of uncertain tax positions, if any, were not considered significant for financial reporting purposes. Management does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. Interest and penalties on tax assessments are classified as an expense when incurred. The Foundation would recognize any interest and penalties related to unrecognized tax benefits in tax expense. During the year ended June 30, 2018, the Foundation did not recognize any interest or penalties. The Foundation is subject to the filing of U.S. Federal and California informational returns. Federal returns for 2014 through 2016 and California returns for 2013 through 2014 are currently open for potential Federal and State examination.
