Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Return Reference	Explanation
Schedule J, Part I, Line 1a	Membership dues for the Duquesne Club, a private club located in Pittsburgh's downtown business district, were paid by MWRIF for Arthur Scully, VP of Development. The Club's facility was used to host Board and Donor meetings and related events. The dues were paid through September 2017, at which time Mr Scully resigned from the organization and the facility was no longer used for MWRIF business.
Schedule J, Part I, Line 3	The Executive Director is dually employed by both the University of Pittsburgh and the University of Pittsburgh Medical Center (UPMC). 100% of his time is spent on either his biomedical research or his Executive Director responsibilities, so MWRIF is financially responsible for his total compensation. Each of the three organizations are involved in evaluating the ED's compensation taking into account accomplishments, responsibilities, and comparison to AAMC (American Association of Medical Colleges) benchmarks. The initial salary as well as subsequent adjustments must be approved by senior management of the University and UPMC, and is also approved by select independent directors of MWRIF board. A written employment contract is used by both employers to document all employment terms including compensation. All paperwork regarding the process and approvals is maintained by the respective organizations. The CEO's initial salary as well as any subsequent adjustments are reviewed by both UPMC and select independent directors of the MWRIF Board, taking into consideration accomplishments, responsibilities and a review of salaries for comparable positions in the marketplace. All related paperwork is maintained by UPMC. Since 100% of the CEO's time is spent in supporting the mission of MWRIF, MWRIF is financially responsible for the entire salary and any subsequent adjustments and incentives.
Schedule J, Part I, Line 7	In addition to a base compensation from each employer, Dr. Sadovsky is eligible for incentive compensation as follows. From UPMC, he is eligible for performance based incentive compensation as part of his employment contract. Performance is evaluated against a list of predetermined goals and payment is made in the subsequent fiscal year. From the University of Pittsburgh, he is eligible for a research incentive based on certain criteria established by the University for all researchers. This is tied to his own research lab and is not related to his function as Executive Director of MWRIF. Gerald Schatten, Sharon Hillier, Kyle Orwig, Elizabeth Krans, and Yaacov Barak are also eligible for the University of Pittsburgh research incentive mentioned above, if they meet the criteria established by the University. The CEO, as an executive level employee of UPMC, is eligible for an annual incentive award based on performance against predetermined standards which include their contribution to achievement of corporate goals, as well as achievement of individual performance goals. MWRIF is financially responsible for the entire cost of the incentive.
Schedule J, Part II	Elizabeth Krans is dually employed by the University of Pittsburgh and the University of Pittsburgh Medical Center (UPMC). She divides her time between Clinical work and Research. The reportable wages shown on Schedule J Part II and Part VII Line 1a represent the portion of her combined salary attributable to her research work which is the responsibility of MWRIF. UPMC is responsible for the portion of her combined salary attributable to her clinical work.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VIII, Line 6a	<p>The research conducted at MWRIF occurs in a facility located at 204 Craft Avenue UPMC owns this building and MWRIF is renting the space from them. Since the lease agreement with UPMC is long term (30 years), for accounting purposes it has to be recorded as a liability on MWRIF's books. This is the mortgage/note payable disclosed on Line 24 of Part X. The lease agreement does not contain any terms implying that MWRIF will ever own or have the option to buy the building. The rental income disclosed in Part VIII is generated by subleases between MWRIF and several research labs that are part of the University of Pittsburgh, allowing them to occupy a portion of the space MWRIF is renting from UPMC. These particular University of Pittsburgh researchers collaborate with MWRIF researchers on a regular basis on large biomedical research projects where physical proximity facilitates the collaborative process and allows them to meet, share equipment and other resources as needed to make the collaboration more efficient and hopefully more successful. The objective in renting the space to the University of Pittsburgh is to facilitate the collaboration, not to generate profit. So the rental income disclosed in Part VIII is sublease income that offsets a portion of MWRIF's lease expense. MWRIF has no acquisition indebtedness which would require the rental income to be disclosed as unrelated business income.</p>
