Form and Line Reference	Explanation
Schedule H, Part I, Line 7 CHARITY CARE AND CERTAIN OTHER COMMUNITY BENEFITS AT COST - PART 1	St Vincent Dunn Hospital is a Catholic healthcare facility located in the state of Indiana. St Vincent Dunn is a part of St Vincent Health, a non-profit healthcare system consisting of 24 locally-sponsored ministries which includes a comprehensive network of affiliated joint ventures, medical practices, and clinics. St Vincent Health is one of the largest healthcare employers in the state and is sponsored by Ascension Health, the nation's largest Catholic healthcare system. St Vincent creates strong partnerships with businesses, community organizations, local, state and federal government. Working with its partners, and utilizing the CHNA completed every three years, St Vincent Dunn Hospital is committed to addressing community health needs and developing and executing an implementation strategy to meet identified needs to improve health outcomes within the community. Community benefit is not the work of a single department or group within St Vincent Dunn, but is part of the St Vincent mission and cultural fabric. The hospital leadership team provides direction and resources in developing and executing the Implementation Strategy in conjunction with the St Vincent Health Community Development & Health Improvement Department but associates at all levels of the organization contribute to community benefit and health improvement. Part I Certain Other Community Benefits at Cost Community health improvement efforts must take a comprehensive approach and utilize diverse methods to reach intended audiences. As a system, St Vincent works to improve the health of communities through a variety of approaches, including community health improvement services, health professions education, subsidized health services, generalizable research, and cash and in-kind contributions. During fiscal year 2018, St Vincent supported the community in the following ways: Community Health Improvement Services Community Health Education St Vincent provides health education on several topics and issues facing the local community throughout the year. The information is offered to the community through a variety of methods, which include, but are not limited to the following: health fairs, health promotion and wellness programs, lectures, school health education programs, and support groups. Health Care Support Services To increase access to, and the quality of, healthcare to individuals, especially persons living in poverty, St Vincent provides services such as transportation, telephone information services, chronic disease management, and assistance to enroll in public programs and access prescription medication. Social and Environmental Improvement Activities Programs and activities that improve the health of persons in the community by addressing the determinants of health, which include the social, economic and physical environment, which includes removal of harmful materials in public housing, participations in community coalitions to increase jobs with health insurance and conducting a separate assessment for community disaster preparedness. Health Professions Education St Vincent is committed to helping ensure the next generation of healthcare professionals by providing education through hands-on training to students who are working towards a wide range of healthcare degrees and certificates. These categories include medical students, nursing students and other health professions, such as physical therapy, social work, pharmacy, and pastoral care students. Cash and In-Kind Contributions St Vincent makes cash and in-kind contributions to a variety of organizations focused on improving the health status in the community. Examples include cash donations to nonprofits in response to natural disasters, event sponsorships focused on addressing an identified community health need, donation of employee time/services to outside organizations, and the representation of the hospital on community boards and committees. Community Benefit Operations St Vincent staff dedicates significant time and costs to lead and manage community benefit programs and activities. Resources are also allocated to conduct a community health needs assessment and develop an implementation strategy. Community benefit is tracked and reported to St Vincent leadership, Ascension leadership, state and federal government entities. System Wide Health Improvement Priorities FY18 was the second year of the three-year SWHIP implementation strategy (FY17-19). Below is a year 2 update for each SWHIP: 1) Access to Health Services Community benefit=\$26,192 In year two of the strategy, the HA helped 91 people obtain medical insurance (FY18 goal=38, FY18 goal attainment=239%) 2) Exercise, Nutrition & Weight Community benefit=\$3,175, Staff time=75.5 hours FY18 was an implementation year. The hospital distributed and collected surveys, then entered survey data into a secured St Vincent web application at the beginning and end of the school year (twice a year in FY18).

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part I, Line 7 Costing Methodology used to calculate financial assistance	The cost of providing charity care, means tested government programs, and community benefit programs is estimated using internal cost data, and is calculated in compliance with Catholic Health Association ("CHA") guidelines. The organization uses a cost accounting system that addresses all patient segments (for example, inpatient, outpatient, emergency room, private insurance, Medicaid, Medicare, uninsured, or self pay). The best available data was used to calculate the amounts reported in the table. For the information in the table, a cost-to-charge ratio was calculated and applied.

Form and Line Reference	Explanation
Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	After satisfaction of amounts due from insurance and reasonable efforts to collect from the patient have been exhausted, the Corporation follows established guidelines for placing certain past-due patient balances within collection agencies, subject to the terms of certain restrictions on collection efforts as determined by Ascension Health. Accounts receivable are written off after collection efforts have been followed in accordance with the Corporation's policies. After applying the cost-to-charge ratio, the share of the bad debt expense in fiscal year 2018 was \$597,467 at charges, (\$209,113 at cost).

Form and Line Reference	Explanation
Schedule H, Part III, Line 3 Bad Debt Expense Methodology	The provision for doubtful accounts is based upon management's assessment of expected net collections considering economic conditions, historical experience, trends in healthcare coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for doubtful accounts based upon historical write-off experience by payor category, including those amounts not covered by insurance. The results of this review are then used to make any modifications to the provision for doubtful accounts to establish an appropriate allowance for doubtful accounts.

Schedule H, Part V, Section B, Line 11 Facility , 1	Facility , 1 - St Vincent Dunn Hospital, Inc. The St Vincent FY 2017-2019 Implementation Strategy specifically addresses the following three SWHIPS: 1) Access to Health Services - St Vincent Dunn will use the RUAH Pathway Program to increase its reported number of completed pathways (i.e., verification from FSSA) in FY 2015 by 5% each year for FYs 2017-2019. Achieving this goal will contribute to the percentage of people who have health insurance in Lawrence County. Specific action steps include the following: Health Advocate (HA) assesses for eligibility and educates individuals about coverage options, HA submits application and works through any issues or delays, and HA verifies eligibility in order to complete the Pathway. 2) Exercise, Nutrition & Weight - St Vincent Dunn will partner with a school and a food source to provide eligible students with a weekend backpack of nutritious food throughout the school year in order to reduce the school's number of families in FY 2018 who are food insecure (based on survey responses) by 5% at the end of FY 2019 (June 30, 2019). (NOTE: FY 2017 is the planning year for the program.) Specific action steps include the following: complete the Weekend Feeding Program Preparation Checklist, meet with all stakeholders to determine program logistics, plan the specifics of your program's protocol, make final preparations for the program's "go live" date in FY 2018, and distribute and collect surveys, enter survey data into software at the beginning and end of the school year (twice a year in FY 2018 and FY 2019). 3) Behavioral Health - St Vincent Dunn will offer Rx for Change training at no charge to anyone who works in a health care setting to increase the proportion of training participants who screen and refer to the Indiana Tobacco Quitline by 10% by the end of FY 2019 (June 30, 2019). Achieving this goal will contribute to the percentage of tobacco users who have been screened and referred to the Indiana Tobacco Quitline. Specific action steps include the following: complete the Provider Training Checklist - Action Step #1, plan at least two Rx for Change trainings in your community in FY 2018 and ensure continuing education credits are available, if applicable (See Provider Training Checklist - Action Step #2), develop a strategy to promote trainings to the community, promote and offer at least two Rx for Change trainings at no charge to your community in FY 2018, enter FY 2018 baseline survey data into database within two weeks of each training, for FY 2019 - Repeat Action Steps #2-4 to plan, develop, and promote and offer at least two Rx for Change trainings at no charge to your community in FY 2019, and enter FY 2019 baseline survey data into database within two weeks of each training. Needs That Will Not Be Addressed - The hospital is committed to improving community health by directly, and indirectly, addressing prioritized health needs.
