Form 990 (2017)

Form 990, Part III, Line 4a:

TroopsDirect supplies globally positioned United States military units in bulk with items that may not be issued or readily available through government channels. The TroopsDirect fulfillment model is request based and primarily ships medical, nutrition, hygiene, equipment and canine items. This is done at no expense to the taxpayer or the requesting units. TroopsDirect is there first and foremost for the service members who are based out of -or deploying to- smaller or more remote positions where needed supplies are non-existent or not readily available. TroopsDirect makes the difference now. No red tape, bureaucracies or chains of command. Just a commitment to those who serve.

Form 990, Part III, Line 4b:

TroopsDirect maintains several different methods for corresponding with American forces wherever they may be. Within these methods, is the ability for them to reach us 24 hours a day from wherever they have communications equipment. These lines of communication are established in our pre-deployment meetings that are held here in the United States before they leave for their deployment overseas.

Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	Income TaxesFinancial statement presentation follows the recommendations of ASC 740, Income Taxes. Under ASC 740, the organization is required to report information regarding its exposure to various tax positions taken by the organization and requires a two-step process that separates recognition from measurement. The first step is determining whether a tax position has met the recognition threshold, the second step is measuring a tax position that meets the recognition threshold. Management believes that it has adequately evaluated its current tax positions and has concluded that as of June 30, 2018, the organization does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary. The organization has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. The exemptions are subject to periodic review by the federal and state taxing authorities and management is confident that the organization continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status. The organization may periodically receive unrelated business income (such as sublease rental income) requiring the organization to file separate tax returns under federal and state statutes. Under such conditions, the organization calculates and accrues the applicable taxes.
