Supplemental Information

Return Reference	Explanation
Part V, Line 4	The college has a policy that addresses strategic planning to satisfy the objective growth and preservation of the assets. The endowment funds shall be utilized as the means for scholarships, future capital and operating enhancements. The college has the overall objective to preserve and maintain the real purchasing power of the principal of the portfolios over the long term and to maintain a portfolio composition which shall limit the risk of the total investments. The endowment spending policy sets annual appropriations from the endowment equal to 4.5% of a portfolio market based on a twenty quarter average of the beginning period value of permanently restricted assets. As of June 30, 2018 and 2017, the permanently restricted endowment funds are required to be retained permanently by explicit donor restriction and the temporarily restricted endowment funds represent the portion of perpetual endowment funds subject to time restrictions under Indiana Trust and Fiduciary Law, without purpose restrictions.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The college has received a determination letter from the Internal Revenue Service indicating it is a tax-exempt organization as provided in section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes on income related to its exempt purpose. The college follows the accounting guidance for uncertainty in income taxes. The guidance clarifies the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. The guidance also addresses derecognition, classification, interest and penalties on income taxes, and accounting in interim periods. Management believes the college has no material uncertainties in income taxes. The college files returns in the U.S. Federal Jurisdiction and the State of Indiana. With few exceptions, the college is no longer subject to examination by the Internal Revenue Service for years before 2015.

Part I, Line 2	The college's financial aid department determines all federal and state financial aid for students based on the respective laws and regulations. The remaining need for financial assistance is then determined by the college and is based on criteria such as student activities (athletics, etc), the academic program the student is enrolled in, the student's academic performance, and the income level of the student. These factors are then considered along with the available insitutional scholarship and grant funds in determining institutional financial assistance provided to the students.
