Form 990 (2017)

Form 990, Part III, Line 4a:

Artist ResourcesSpringboard for the Arts' Artist Resources programming encompasses professional development resources for artists, economic opportunity programs, access to health and legal resources, and physical Resource Centers. In FY18 we continued to build the capacity of our Resource Center for artists, offering computer workstations outfitted with graphic and slide scanners, Adobe Creative Cloud, Microsoft Office, a publications library, and other grant-making and opportunities databases. In our St. Paul Resource Center, we piloted A/V Closet, a new offering for artists to check out arts technology such as cameras and lights. We've expanded our legal referral service, connecting 185 artists with one-on-one attorney referrals in FY18. Springboard for the Arts supports artists' health care through several programs. Artists Access to Health care (AAH) removes financial and system navigation barriers for artists and their families. AAH provides artists with vouchers to cover the cost of medical, dental and mental health services. Through vouchers, MNsure navigation, and resource distribution, Springboard offered 3,022 health care referrals in FY18. We expanded our partnership with People's Center Health Services to include pop-up arts activities, where 500 patients, staff, and passersby benefited. The Emergency Relief Fund (ERF) provided small monetary support for 22 artists who have career-threatening emergencies or to use their art to respond to community emergencies. In FY18 Springboard for the Arts Professional Development programs served 2,982 individual artists and community members through workshops, one-on-one consulting and participation at leading conferences both locally and nationally. Springboard for the Arts presented 112 workshops on business skills for artists and professional development, 201 individual consultations, and presented at conferences locally and nationally highlighting our content, artist services, and mission. Through a new partnership with an independent micro lending platform, Springboard successfully supported six new artist entrepreneur projects to secure small business loans. Community DevelopmentOur Community Development Program organizes and empowers artists to build reciprocal relationships with their communities, resulting in vibrant, creative, equitable places. We provide catalytic workshops, trainings and project management in partnership with city governments, neighborhood organizations, private institutions and other groups that wish to engage artists in community building, economic development, creative place making and innovative problem-solving. By addressing opportunities and challenges associated with change locally in Minnesota, we also create customizable modes for community communities nationally. In FY18, we directly supported over 50 artists to implement projects or activities, and trained (half day to 2 day long workshops) 90 artists in collaboration and community development. Their projects themselves involved more artists and volunteers, and touched thousands of viewers and participants. We presented our strategies and learnings to over 400 community development professionals (approximately 25% artists) through conference and other presentations. Fergus Falls In FY18 our Fergus Falls office provided professional training and consultations, a resource center, legal and health care resources to approximately 507 artists, as well as community development presentations and workshops to 3,002 community, state and national leaders. In addition, 28 artists in our Hinge Arts residency program reached approximately 650 artists community members through presentations, events and outreach activities, and the Year of Play project reached 687 community members. IncubatorSpringboard for the Arts' Incubator: A Fiscal Sponsorship Program provides fiscal sponsorship for arts groups and individual artist projects that do not want (or are not ready) to become tax-exempt nonprofit organizations. In FY18 we managed over \$1 million in revenues for the 207 artist-led projects in the program.National ProgramSpringboard for the Arts' National program includes Creative Exchange, an online network of support for artists and arts organizations through replication toolkits and artist project profiles. Replication toolkits include Springboard programs such as Work of Art, guides to creative place making, Community Supported Art, Artists' Health Fair and Artist-led Community Development, as well as partner toolkits around creative use of vacant retail space, artist-engaged community planning, running galleries, public art, and artist-led community projects. We facilitate commissioning and support for new toolkits through Creative Exchange. Creative Exchange also facilitates building networks through organizing convenings and supporting the commission of new toolkits. Since its launch in March 2014, Creative Exchange has published over 360 artist profiles & special features, and shared over 7,000 toolkits. Springboard offers workshop Intensives in leading the Work of Art. Business Skills for Artists curriculum and in artist-led community development practices as part of the National program, and offers speaking, consulting, and workshops nationally.
