Part X, Line 2	<p>The School is exempt from income taxes under Internal Revenue Service Code Section 501(c)(3). The School is subject to tax on income from any unrelated business. The School is subject to the recognition requirements for uncertain income tax positions as required by the Financial Accounting Standards Board (FASB) Accounting Standards Codification 740-10 (formerly known as FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes). Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more likely-than-not be sustained upon examination by taxing authorities. The School has analyzed tax positions taken for filing with the Internal Revenue Service and state jurisdiction where they operate. The School believes that income tax filing positions will be sustained upon examination and do not anticipate any adjustments that would result in a material adverse effect on their respective financial condition, results of operations, or cash flows. Accordingly, the School has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions at June 30, 2018. The School is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any open tax periods.</p>
