Part IV Supplemental Information

Provide the descriptions required for Part I-A, line 1, Part I-B, line 4, Part I-C, line 5, Part II-A (affiliated group list), Part II-A, lines 1 and 2 (see instructions), and Part II-B, line 1. Also, complete this part for any additional information.

Part I-A Line 1 The State of South Dakota requires anyone representing an organization to register as a lobbyist in order to speak on behalf of the organization before a legislative committee. The Association registered the executive director and the president of the board of directors as lobbyists so that they might appear before legislative committees on behalf of the Association and its members. During the legislative session, the primary activity of the Association was to monitor legislative activities and report on a weekly basis to the Association's membership. This report took the form of an e-mail sent to each conservation district office and the Association's board of

Part IV Supplemental Information (continued)

directors. It is a concise report of selected legislation that might be of interest to the members

and did not usually encourage or solicit action by the conservation districts. The Association's

registered lobbyists provided limited testimony (less than fifteen times) to legislative committees,

this testimony was to normally provide technical information or to update the committees on the

activities of the conservation districts in assisting with the programs the committees had

jurisdiction over. Nationally, the Association kept members informed on possible and pending

legislation and rules and how they might affect the conservation districts' activities. Information

received from various groups was usually forwarded to the conservation district's e-mail accounts

via the internet. In some instances, the Association may provide a brief analysis of the

information. The Association encouraged its members to stay informed on political issues and become

engaged, as the member deemed appropriate, in the discussion. The Association's executive director

has some contact in the form of e-mail and phone calls with the Congressional offices, primarily at

the initiation of the Congressional staff. The Association incurred few expenses in the activity

since internet access is readily available for general activities. \$80.00 was paid to the State of

South Dakota for two lobbyist registrations. Staff time was estimated at one hour per week when the

SD Legislature was not in session (43) weeks and 12 hours per week during SD Legislature session (9

weeks) for a total of 151 hours and estimated value of \$6,040 at \$40 per hour.
