Periodically throughout the year, management assesses the adequacy of the allowance for doubtful accounts based upon historical write-off experience by payor category, including those amounts not covered by insurance. Plain Language Summaries of the FAP containing this information are also offered to patients at all registration points. The FAP, FAP Application and Plain Language Summary are also available in multiple languages based on LEP requirements in our community. Saint Thomas Regional Hospitals' registration associates discuss the estimated balance that will be due with both insured and self-pay patients. Should the associate identify that the patient may need assistance with that balance he/she will provide the patient with a Financial Assistance Application and help them complete it, if needed. All self-pay and underinsured patients are screened by Saint Thomas Regional Hospitals for alternative coverage including Medicaid, SSI/SSD, Cobra, student coverage, and crime victims' compensation. If no alternative is identified then an associate will work with the patient to complete a Financial Assistance Application. Also, contact information is listed on Saint Thomas Regional Hospitals billing statements for the patient to use in the event they need assistance with their balances. A Plain Language Summary is also mailed 30 days in advance of an Extraordinary Collection Activity occurring. Collections associates have been trained to offer patients a Financial Assistance application if needed by the patient. Saint Thomas Regional Hospitals works with third party collection vendors who are required to follow the Hospital's Financial Assistance Policy. A third party vendor is also used to perform presumptive charity scoring on all accounts prior to bad debt placement to identify any accounts that may qualify presumptively for financial assistance even if a patient did not request to apply for financial assistance. A plain language summary of the Financial Assistance Policy, FAP, FAP Application and list of Providers Covered under the FAP can all be found on our website at http://sthealth.com/patients-and-visitors/financial-assistance in all required LEP languages.</p>
