REGULAR OR COMMUNITY FOSTER CARE (RFC) The Community Foster Care Program allows siblings of Treatment Foster Care children to be served as Regular Foster Care children in treatment foster homes to keep sibling groups together mitigating traumatic loss as well as supporting family permanency and wellbeing. PROJECT NORTHSTAR BALTIMORE Northstar Baltimore is a tutoring mentoring program with the goal of improved academic growth and success and social-emotional development for at-risk children in our community. The catalyst for this change is a positive caring relationship with an unrelated adult serving as a tutor/mentor. NB uses the successful model of DC-based Project Northstar, which has provided weekly tutoring and regular mentoring activities to thousands of DC students for over 25 years. NB became fully operational in Baltimore with weekly tutoring sessions in three locations (the elementary/middle schools in the Southeast Baltimore neighborhoods of Highlandtown and Greektown and also at MPP offices). In school year 2017-2018, about 30 students were matched each week with their own NB volunteer tutors with a focus on individualized math and language assignments from the students' teachers. Positive results more confidence in school, higher test scores, better attitudes toward school -- were enthusiastically reported by the students, by their teachers, and by the volunteers. NB launched school year 2018-2019 with two evening sessions at the MPP offices in Highlandtown and now services about 30 students each week from a number of area schools. Each month NB also holds a mentoring activity for the student-volunteer pairs and their families to further develop the relationships and community of support. NB's VISTA volunteer through Strong City Baltimore has been incredibly valuable in allowing NB to increase outreach to volunteers, community groups, and financial supporters and ensure sustainability of the program.
