SCHEDULE D, PART X, LINE 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability or asset if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. Currently, no tax examinations are in progress or anticipated. ArtsGreensboro, by expiration of the statute of limitations, is generally no longer subject to examination by taxing authorities for years before 2014.
