MUST Ministries, Inc. opened a thrift store called MUST MarketPlace where it sells donated items at a discount to provide to their clients as well as the public. One of the advantages of MUST MarketPlace is that clients get to choose the items provided to them that best meets the needs of their family. As part of the mission of helping our neighbors in need, in 2014, Must Ministries, Inc. extended this mission by opening Must MarketPlace SIF section. MUST-SIF operates food pantries in 31 schools (27 Cobb County Schools, two Marietta City Schools, one at Kennesaw State University and 1 in Cherokee County) serving 330 families in a typical month. The students are identified by a liaison who is either a school social worker, guidance counselor, or academic coach. They are the neediest students who are most at risk: homeless children and families, households with children that have been abandoned by their parents, special needs children and families, families with life altering illnesses, families with recent unemployment and the working poor. Five new pantries were launched during the 2017-2018 school year and the first pantry in Cherokee County School was opened. 3,200 clients were served, and 269,000 pounds of food distributed. On a monthly basis, each family receives approximately 75 pounds of food and toiletries. The number of pantries increased 21%, the average families served per month experienced a 9% growth over last year and clients served increased 4% percent. During the 2018 fiscal year, MUST Ministries celebrated the following mission accomplishments: MUST was awarded a Coordinated Entry and Assessment grant to serve as the lead agency to administer the Coordinated Entry (CE) process on behalf of the Cobb County Continuum of Care. The project is designed to make the homeless assistance system more efficient by assisting households experiencing homelessness move through the system quickly, thus reducing their time spent in homelessness, reducing new entries into homelessness, by offering prevention and diversion resources, and improving data collection and sharing of information.
