Training Academies in Construction, Healthcare and Business Administration model real-world experiences, pay trainees a weekly \$100 stipend and require them to demonstrate that they are responsible and respectful by showing up every day, on time, drug free, dressed professionally and with a good attitude Hope Builders' training is conducted over 16-20 weeks and is delivered in a boot camp style to support completion and allow youth to transfer quickly to the workplace and higher wages Contextualized basic skills remediation, financial assistance for childcare and transportation and 32 hours of both life skills and job readiness training are embedded into the curriculum

Form 990, Part III, Line 4b:

Employment and Education Pathways Hope Builderss Employment Services team works with youth who have completed the training academy and strives to link them to permanent employment or internships Staff works with youth for up to 24 months after training completion and supports employed youth in continuing to find opportunities for growth/advancement through promotions and job changes The Education Pathways team helps youth access on-ramps to post-secondary education, enroll in and persist through apprenticeship and post-secondary degree programs and achieve advanced certifications

Form 990, Part III, Line 4c:

Case Management Hope Builders has learned that skills training or employment placement alone do not meet the needs of disconnected youth. Rather, training must include a mix of life skills and supportive services designed to help youth retain their employment. Thus, upon program enrollment, each trainee is matched with a Support Specialist, who throughout 28 months, help youth address barriers that may prevent them from successfully completing the program and/or retaining employment. The goal of these services is to help youth achieve life stability through increased social and self-awareness, self-management and healthy behaviors.
