Line 28) Ag Literacy Day is a national event that promotes the education of agriculture at local elementary schools. Volunteers read the book 'Drive Through Florida'. They also presented materials on the value and importance of agriculture.

Line 29) Taylor County Farm Bureau worked very hard the last several years to obtain an FFA program in Taylor County and to hire an advisor. We were glad to welcome our new FFA teacher this year. The purpose of the FFA is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education. We continue to support and help expand the program.

Line 30) Taylor County Farm Bureau works with area schools to promote agriculture in various ways. We held a speech contest where 5th graders were asked to research the essay topic. The topics helped students learn about the importance of agriculture to our state and nation. We have also helped with raised bed gardens and this year we provided eggs for incubation.
