Form 990, Part VI, Line 12c Conflict of Interest Policy	<p>The Board Chair or designee shall make such further investigation of any conflict of interest disclosures as he or she may deem appropriate. If the conflict involves the Board Chair, the Vice Chair will assume the Chair's role outlined in the COI Policy. Based on review and evaluation of the relevant facts and circumstances, the Board Chair will make an initial determination as to whether a conflict of interest exists and whether, pursuant to the COI Policy, review and approval or other action by the Board is required. A written record of the Board Chair's determination, including relevant facts and circumstances, will be made. The Board Chair shall then make an appropriate report to the Executive Committee of the Board concerning such review, evaluation and determination. If a difference of opinion exists between the Board Chair and another Trustee as to whether the facts and circumstances of a given situation constitute a conflict of interest or whether Board review and approval or other action is required within the COI Policy, the matter shall be submitted to the Board's Executive Committee, which shall make a final determination as to the matter presented. Such determination, including relevant facts and circumstances, will be reflected in the Executive Committee minutes and will be reported to the Board. The Board shall carefully scrutinize and must in good faith approve or disapprove any transaction in which CHI or a CHI Entity is a party and in which the Trustee or Corporate Officer either * Has a material financial interest, or * Is a Trustee or Corporate Officer of the other party (other than a CHI-affiliated organization). The Board must approve the transaction by a majority of the Trustees on the Board, without counting the vote of any individual who has an interest in the transaction. In reviewing such transactions between CHI or CHI Entities and vendors or other contractors who are, or are affiliated with, Trustees or Corporate Officers, the Board shall act no more or less favorably than it would in reviewing transactions with unrelated third parties. The transaction will not be approved unless the Board determines that the transaction is fair to CHI or the CHI Entity. The Board shall carefully review and scrutinize any non-transactional conflict of interest (e.g., disclosure of nonpublic information, competition with CHI or a CHI Entity, failure to disclose a corporate opportunity, excessive gifts or entertainment, etc.). By a majority vote of the disinterested Trustees, the Board shall take whatever action is deemed appropriate with respect to the Trustee or Corporate Officer under the circumstances, including possible disciplinary or corrective action, in order to best protect the interests of CHI or the CHI Entity. The Board should consult with the General Counsel of CHI or his or her designee when considering disciplinary or corrective action. <p>Form 990, Part VI, Line 12c Conflict of interest policy</p>	<p>Catholic Health Initiatives ("CHI") has a Conflicts of Interest ("COI") policy (the "Policy") in place to maintain the integrity of all of its activities. The Policy applies to CHI Board of Stewardship Trustees and members of its committees, all CHI Entity board and board committee members, all CHI employees, and all CHI research personnel (both employed and non-employed). Disclosure, review and management of perceived, potential or actual conflicts of interest are accomplished through a defined COI disclosure review process. Each Person must promptly and fully disclose to his/her direct manager, supervisor, medical staff office, board or board committee chair any situation or circumstance that may create a conflict of interest. The Person must disclose the actual or potential conflict as soon as she/he becomes aware of it. In any situation where the Person may be in doubt, a full disclosure should be made to permit an impartial and objective determination. In addition to the general ongoing obligation, there are initial disclosure obligations. At the time of initial appointment, a copy of the Policy shall be distributed to the board or committee member along with a conflict of interest disclosure. The board or committee member will complete and submit the disclosure. The completed disclosure shall be maintained in confidence and access shall be limited to persons who have a reasonable need to know the contents. At the time of hiring, a copy of the Policy shall be distributed to all Employees. In addition, a conflict of interest disclosure will be provided. The Employee must complete and submit a conflict of interest disclosure. The completed disclosure shall be maintained in confidence and access shall be limited to persons who have a reasonable need to know the contents. In addition to the general ongoing and initial disclosure obligations, there is an annual disclosure obligation. On an annual basis, the following Persons must complete a new conflict of interest disclosure: * Board and board committee members, * Employees at the level of vice president and above, * Researchers, * Supply Chain Employees at the level of vice president and above and those employees involved in contracting regardless of employment level, * Other Employees as deemed applicable by CHI Leadership. Disclosures of perceived, potential or actual conflicts involving financial interests are forwarded to the Conflicts of Interest Review Committee ("C-CIRC"), National or Regional Legal Services, National, Entity, or Research Corporate Responsibility Program, or the Executive Committee of the Board or Board Chair, for review depending on the position of the person involved. Among the factors that should be considered in determining whether a conflict exists are the nature and magnitude of the opportunity, transaction or arrangement, the degree to which it is related to CHI's business, whether the Person with the conflict is the ultimate decision-maker or holds significant in</p>

When a Person has, or is considering initiating, a business interest or relationship outside of CHI but is uncertain whether the interest constitutes a conflict of interest requiring disclosure under this Policy, the Person should consult with local Corporate Responsibility Program (CRP) staff or CHI Legal Services Group (LSG) staff, as appropriate. As appropriate, a COI management plan will be developed. With respect to those audiences for which the C-CIRC has review responsibility, the C-CIRC will facilitate development of any such COI management plan in collaboration with local CRP staff or CHI LSG staff, as appropriate. This plan will include documentation of the C-CIRC's determinations and recommendations. As necessary, reports to an appropriate governmental agency or sponsor will be made according to the relevant appendices to this Policy to provide required information regarding how the conflict of interest will be managed, reduced, or eliminated. Designated CHI Entity staff are responsible for monitoring the COI management plan and for documenting monitoring activities. At its sole discretion, a CHI Entity may reject a Person's request to enter into the relationship in question, or require the relationship be sufficiently altered to avoid a potential conflict of interest. The C-CIRC will determine whether a disclosed or otherwise identified interest is a conflict of interest. If the C-CIRC determines that a potential or actual conflict of interest exists that does not currently have appropriate controls to address the conflict of interest, it may recommend that the disclosing Person be allowed to participate in the activity or transaction subject to restrictions as outlined in a written COI management plan. All determinations of conflicts of interest will be reported as required by law, regulations, and CHI policy. If a Person, other than a board or board committee member or corporate officer, required to complete a COI disclosure does not agree with a determination made by the C-CIRC, its interpretation of the COI Policy, still seeks an exemption or exception, or seeks further clarification of the C-CIRC's decision, the following steps should be followed. Within a reasonable period of time after receiving notice of the C-CIRC's decision, the Person must present the matter to the Person's immediate direct manager or supervisor (or in the case of a Researcher, to [fill in the title or position to whom Researchers report]) and request reconsideration, submitting at that time any new or additional information that may support or recommend reconsideration. The C-CIRC will be reconvened for this purpose and, following such reconsideration, issue a final determination. This appeals process is intended to be narrowly applied, as Persons seeking conflict of interest exemptions or exceptions are expected to offer all available information supporting an exemption or exception at the time the matter is first presented to the C-CIRC. Management of actual or potential conflicts of interest of board or board committee members and corporate officers will be determined by the appropriate board, as reflected in the Policy. Reviews and determinations involving board and board committee members and corporate officers will be the responsibility of the board, board executive committee, or board chair, with guidance from the Legal Services Group (LSG). Each Trustee and Corporate Officer must promptly and fully report to the Board Chair situations that may create a conflict of interest when he or she becomes aware of such situations. In any situation when a Trustee or Corporate Officer is in doubt, full disclosure should be made to permit an impartial and objective determination. A written record of the disclosure will be made. In addition to the ongoing disclosure obligation, all Trustees and Corporate Officers shall complete a COI disclosure questionnaire on an annual basis. A copy of the COI Policy shall be available to Trustees and Corporate Officers. Definitions of terms used in the disclosure questionnaire/form shall also be included. Each Trustee and Corporate Officer must promptly complete the COI disclosure. COI disclosures that involve no disclosures of conflicts of interest will not require review. This generous gift funded three highly specialized services that were not currently available in the Chattanooga region: High risk genetic counseling, a multi-disciplinary resource for adult cancer survivors, and greater access to the latest treatments in cancer. The high risk survivorship clinic was designed and built in FY 14 and began treating patients in FY 15. The contribution also funded an interior and exterior renovation of the newly named Rees Skillern Cancer Institute Buz Standefer Lung Center. Through donations, Memorial Health Care System has created a world-class Lung Center that revolutionizes care for our region. Lung diseases, including lung cancer, are some of the most debilitating and frightening of all medical issues. The Lung Center allows patients suffering from emphysema, asthma, lung cancer, pulmonary fibrosis, and other pulmonary diseases to seek care from pulmonary medicine experts in an environment that diminishes anxiety and fear, allowing the patient and family to be embraced by a team of people who are focused on their specific needs. The Lung Center at Memorial aspires to be the ultimate regional epicenter for lung health, providing the most comprehensive care available. Smoking remains the highest risk factor for lung disease. Within our region, smoking rates range from 20% in Hamilton County to 30% in Catoosa County. One in four Tennesseans smoke, and smoking is responsible for 87% of lung cancers. As a result, every county in our region exceeds the national rates for lung cancer mortality rates. Through the creation of the new Lung Center, Memorial is determined to improve these bleak statistics. The Lung Center at Memorial treats those who have current health issues related to lung disease but also proactively educates and screens the community, with the overall goal of dramatically changing these numbers. As a part of Thoracic Center of Excellence, Memorial offers a lung screening program to help detect lung cancer earlier. In the latter part of FY 15, Medicare announced coverage for this service for individuals who meet specific eligibility criteria. For those who do not meet this criteria, we offer the CT screening to the patient at no cost. In FY 18, 47 CT lung screenings were performed at no charge. The Foundation also raised funds to purchase a mobile coach in FY 18 called the Breathe Easy. MHCS became the first provider of mobile lung screening in the region and has been able to provide screenings to underserved and underinsured patients through Foundation funding of the coach and no charge screenings. In order to properly diagnose and treat suspicious lung nodules, the Foundation provided \$438 thousand in funding for new software needed to perform interventional pulmonology procedures. This fund has assisted many cancer patients to Live Well with Cancer, reducing the financial burden of a cancer diagnosis.</p> <p><b>Capital Projects Funding</b> The Foundation master facility plan capital campaign raised \$15 million to fund master facility plan projects. These projects would have not been possible at the same level they have been designed without the additional funding from the Foundation. The Buz Standefer Lung Center, Davenport Infusion Center, Guerry Heart and Vascular Center, Cardiac Rehab Facility and a new Chapel all were made possible with generous community support.</p> <p><b>Contributions</b> Memorial Health Care System Foundation helps support all the programs highlighted above from donations they receive. Memorial Hospital is more able to fund research and education, capital expansion, new equipment and renovation, indigent care, and operating cost for programs that would otherwise not be possible based on the support it receives from the Foundation. The value of this community support is returned to the community through lower costs in patient care programs and community services described throughout this document.</p>
