Form 990 (2017)

Form 990, Part III, Line 4a:

Response Department Casework Services -The Polly Klaas Foundation has assisted over 10,000 families and hundreds of law enforcement agencies in their search for missing and abducted children Since inception we have seen an overwhelming majority of those children return home safely The Response Department provides a variety of services for each type of missing child case, all of which are geared toward the recovery and safe return of the child 24 Hour Hotline - Staff and volunteers work with families and law enforcement agencies 24 hours a day, 7 days a week National Flyer Distribution - Case-specific flyer distribution anywhere in the nation, within a matter of hours Decisions about flyer distributions are made as a team effort between the Foundation, the parent and the lead agency in the investigation Local and/or National Media Exposure - Further exposure for a case is achieved by producing and distributing press releases and by doing live or taped radio, television or print interviews We have assisted families by either working on their behalf with the media or by coaching them through the process Intake And Transmission Of Leads And Tips To The Lead Agency - public leads are immediately forwarded to the investigating agency We have strict policies regarding confidentiality and rely solely on the investigating agency to determine the necessity of follow-up on any lead International Website Exposure - It has been proven that pictures help in the recovery of missing children With www.pollyklaas.org receiving over a half a million hits per month, missing child cases gain a remarkable amount of exposure Nationwide Resources - The Foundation has excellent working relationships with other child find agencies, social service agencies and many law enforcement professionals across the nation Family Support And Assistance - Our role in missing child cases involves advising families about what to expect and what steps they need to be taking, providing emotional support, maintaining on-going contact in long term cases, and helping to retain a positive working relationship with Law Enforcement, the media and the community The Foundation can also assist families after their children return home by providing counseling referrals and extended case management as necessary

Form 990, Part III, Line 4b:

Rapid Response Team eVolunteers Before the Internet, we were very limited by time and geography. It was not possible to execute an effective nationwide missing child poster volunteer distribution program. Since April of 2006, when we first launched the Rapid Response Team eVolunteers, we have recruited over 45,000 volunteers nationally. The RRT is managed completely online. Once a person becomes a member of the Rapid Response Team they are welcomed and provided with all kinds of tools including a volunteer guide. When the Response Department Director decides that a missing child's poster needs distribution, they will go to our online member messaging system. Each volunteer receives an e-mail requesting that a child's poster be distributed, included in the e-mail is a link to the poster's location on our website's Master List of Missing Children. The volunteer receives the e-mail with a link to a poster which they can make as many copies as desired. Posters are then distributed within their local community. When a child is found, the caseworker sends an e-mail to the eVolunteers requesting that no more of that child's poster be distributed. The child's information is removed from website's Master List of Missing Children. In the 2017/2018 fiscal year the Foundation participated in community outreach by attending local safety fairs and meetings held by civic groups to help the community to better understand our role in searching for missing children and the issue of the sexual exploitation of minors, specific to endangered runaways.

Form 990, Part III, Line 4c:

Prevention/Education - Child Safety Kits - The Child Safety Kit is our flagship publication and the principal vehicle for mission fulfillment in the areas of education and abduction prevention. The Kit includes 28 pages of positive, encouraging guidance for parents on how to teach their children to stay safe "without scaring your child or yourself." The empowering message of the Child Safety Kit was initiated in 1994 and is unique to the Polly Klaas Foundation. Since then it has continued to evolve into one of the most sought after publications in the field of Child Safety Education. By communicating a hopeful message to parents, our Child Safety Kit unblocks the paralyzing fear of stranger abduction, and models ways for parents to teach their children how not to go missing or, if children do get lost or separated, how to ask for help. Throughout its history, the Foundation has insisted on telling the truth, providing all of the facts about missing children and empowering parents rather than frightening them. Our Child Safety Kit gives parents, educators and law enforcement professional's powerful teaching tools that strongly supports family involvement and communication. In 2017 we decided to offer our child safety kits online (and discontinue sending them by mail individually), we continue to send them in bulk for safety fairs. The online order form and free consumer goods lists catapulted the Polly Klaas Foundation into the consciousness of tens of thousands of parents throughout the United States and indeed had an impact throughout the world (about 5% of our online members reside outside the United States). As members of the Sonoma County Human Trafficking Task Force we have hosted trainings on the sexual exploitation of minors to regional law enforcement and non-profit organizations. PKF Staff continue to be leaders on the Task Force, including chairing the education committee. PKF is now offering POST Certified courses to law enforcement to assist in identifying "runaways" who may be victims of sex-trafficking. The Foundation has developed a Social Media Safety Program to provide education programs to Sonoma and Marin County Students (grades 6-9) on the importance of social media safety, how to be aware of online adult predators, the risks of talking to people they do not actually "know" and the risks of running away, or meeting up with people they do not know.

The amount recognized is subject to estimate and management judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized.
