Form 990 (2017)

Form 990, Part III, Line 4a:

The Post Oak School provides a comprehensive Montessori education, based on the principals and practices of Association Montessori Internationale (AMI)and accredited by the International Schools of the Southwest (ISAS), to a diverse population of approximately 500 students from infancy to high school. In keeping with Dr. Montessori's ideals, children work in multi age classrooms with a high level of freedom in choosing their own foundations in language, math, geography, science, music, and other disciplines. During the 2012-2013 school year, the school added a High School on a second campus located in the museum district of Houston which incorporates the principles of Dr. Montessori as well as the International Baccalaureate. In 2016, the museum district campus was expanded with the construction of an additional building. The High School moved into the new building and the Middle School was relocated to the new campus for the 2016-2017 school year.

Form 990, Part III, Line 4b:

The Post Oak School offers an extensive program of parent education. A free series of four classes, repeated throughout the year, offers general information about Montessori education to both prospective parents and interested visitors. The infant-parent program helps parents of toddlers to raise happy, self-confident children. A variety of other classes, lectures, and other presentations during the school year, some free and open to the public and others by reservation, afford a variety of perspectives on the School's primary purpose of raising intelligent, confident, caring, and self-motivated lifelong learners.

Form 990, Part III, Line 4c:

Community service is deeply ingrained in the Montessori curriculum, from infancy through adolescence. By the time of Middle School, the entire class spends a half day each week working in small groups at various service agencies around Houston. Elementary students have ongoing relationships with other agencies, whether through regular site visits for volunteer work or by working on projects to benefit needy people in more distant places. Older children routinely learn the benefits and blessing of aiding others in the school's multi-age classrooms. Even the infants, living in a small tight knit community, discover early on that other people have feelings.
