Form 990 (2017)

Form 990, Part III, Line 4a:

EPIC’s mission is to make education work for all students. We consult with educators to provide strategies and frameworks that identify opportunities for real and actionable improvements in systems, schools, and classrooms. Our strategic work with educators creates clarity amid the clutter and empowers school communities to strengthen and sustain a culture that can support readiness and educational success for every student. The following illustrate the range of projects undertaken and clients served: Orange County Department of Education (OCDE) - Multi-tiered Systems of Support. EPIC partnered with OCDE in support of scaling Multi-Tiered Systems of Support (MTSS), a comprehensive framework that aligns academic, behavioral, and social-emotional learning to ensure equitable access and opportunities for all students. Working closely with secondary leadership teams, EPIC provided support to help schools understand the MTSS domains, inventory and map student support resources, and identify priorities for the next school year. The College Board (Advanced Placement Course Audit[APCA]). EPIC continues its significant partnership with the College Board. APCA provided teachers and administrators with clear guidelines on the curricular and resource requirements for Advanced Placement courses and syllabi of any course labeled "AP." EPIC manages APCA’s online platform, content experts, syllabus reviewers, and a call center for participating teachers and administrators. The William and Flora Hewlett Foundation. Inflexion received a three-year grant to collaborate with the Anaheim Union High School District on a research and practice partnership. During this grant, we will partner with the Anaheim Union High School District to improve students’ deeper learning competencies of mastering academic content knowledge, learning how to learn, and developing academic mindsets through deliberate reflective practice. These efforts aim to produce knowledge on how addressing a school’s identity and organizational infrastructure influences efforts to diffuse reflective practices in a way that leads to equitable, scaled impact in large, diverse school systems. International Baccalaureate Programme. Inflexion has been retained to provide an evaluation of the IB’s Educator Network, which trains educators to support IB programmes’ development and implementation. The evaluation will garner multiple forms of evidence to assess benefits conferred to individuals and schools from IBEN participation in order to provide information to the IB on how best to move the program forward.
