Return Reference	Explanation
Pt I Line 2	For seed funding, Five One Labs requires grant recipients to submit a proposal for the seed funding. The Five One Labs team works with the grant recipients to establish milestones based on the recipient's business. The funding is released in tranches that are linked to the various milestones. Once a series of milestones is met, the next tranche of funding is released. For other living stipends, only participants in the incubator program, who have been vetted prior to admission to the program, receive the funds on a monthly basis. A team member provides the funds to the participants, who confirm receipt of the funds in writing. For prototyping stipends, participants submit a budget and receipts for expenses, which are then reimbursed by the Five One Labs team.
