SCHEDULE D, PART X, LINE 2	Accounting principles generally accepted in the United States of America require the Colleges management to evaluate tax positions taken by the College and recognize a tax liability (or asset) if the College has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed tax positions taken by the College and has concluded that as of June 30, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The College is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Colleges management believes it is no longer subject to income tax examinations for years prior to 2015 financial statements.
