Part V, Line 4 Intended uses of the endowment fund	BOARD DESIGNATED The Organization's Board of Directors has established a policy by which it evaluates the amount of the Organization's net assets available to sustain its mission and a board designated fund to maintain adequate reserves. Unrestricted and temporarily restricted assets are needed to fund programs in the event that the receipt of grant monies are delayed, fundraising efforts are less than expected or a program temporarily loses funding. Since several of the Organization's primary programs are heavily dependent upon grants from governmental agencies, the Board has decided that the Organization's unrestricted reserves should be sufficient to provide six months of operating expenses and one year of fundraising support to avoid the necessity of selling any operating assets. Resources designated by the Board for this purpose are considered unrestricted, as the designation is self-imposed. The amount of this board designated fund totaled \$1,230,000 at June 30, 2018.
