Return Reference	Explanation
Part V, Line 4 Intended uses of the endowment fund	The School's endowment consists of funds established for a variety of purposes Its endowm ent includes both donor-restricted funds and funds designated by the board of trustees to function as endowments As required by generally accepted accounting principles, net asset s associated with endowment funds, including funds designated by the board of trustees to function as endowments, are classified and reported based on the existence or absence of d onor-imposed restrictions

Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	The School is a Not-for-profit organization exempt from taxes under section 501(c)(3) of the internal revenue code. The School has not engaged in any activities subject to income tax on unrelated business income, therefore, no provision has been made for income taxes. The School's policy is to record income tax related interest and penalties in operating expenses. For the years ended June 30, 2018 and 2017, there was no interest or penalties expense recorded and no accrued interest and penalties. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the school and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the School, and has concluded that as of June 30, 2018 and 2017 there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations by the IRS prior to 2014 or the FTB prior to 2013.
