990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part III, Line 4a	<p>The Learning Center provides math, reading and science programming to students in 1st through 12th grades. Our programming is unique because our students are grouped according to their skill level and not their grade level, providing an opportunity to place a laser focus on skill development within a small group setting. College Coaching: The program enables its participants and families to gain valuable information about attending college, as well as structured strategies for obtaining necessary resources to attend college. Our focus is middle and high school students with a strong focus on improving and maintaining high academic performance. Students practice writing a resume, cover letter, and personal essay, and are encouraged to apply for camps and summer experiences to increase their marketability to colleges and provide insight into particular career areas. Robotics: For more than 14 years, we have partnered with Black Family Technology Association to offer Lego robotics for elementary students and Vex robotics for middle and high school students. For the past 5 years, our students have participated in local and regional robotic competitions. CISC O Network Academy: This is a four-semester training curriculum designed to prepare students to obtain industry standard certification. It is a challenging program and prepares students for employment in the IT industry. This program targets youth and adults and prepares them to manage, maintain and troubleshoot network systems.</p>
