Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	The Organization is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3), and, accordingly, no provision for income taxes is included in the financial statements. The Organization uses the accrual basis for income tax reporting. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Organization's management has analyzed the tax positions taken by the Organization, and has concluded that as of July 31, 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Organization's management believes it is no longer subject to income tax examinations for years prior to 2013. As of July 31, 2018, the Organization has accrued no interest and no penalties related to uncertain tax positions. It is the organization's policy to recognize interest and/or penalties related to income tax matters in income tax expense.
