990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 7	Cost to charge ratio
Part III, Line 4	Patient receivables are periodically evaluated for collectibility based on credit history and current financial condition. Provisions for losses on receivables are determined on the basis of loss experience, known and inherent risks, estimated value of collateral and current economic conditions. The Hospital uses the allowance method to account for uncollectible accounts receivable. In evaluating the collectibility of accounts receivable, the Hospital analyzes past results and identifies trends for each major payor source of revenue for the purpose of estimating the appropriate amounts of the allowance for doubtful accounts and the provision for bad debts. Data in each major payor source are regularly reviewed to evaluate the adequacy of the allowance for doubtful accounts. Specifically, for receivables relating to services provided to patients having third-party coverage, an allowance for doubtful accounts and a corresponding provision for bad debts are established at varying levels based on the age of the receivables and the payor source. For receivables relating to self-pay patients, a provision for bad debts is made in the period services are rendered based on experience indicating the inability or unwillingness of patients to pay amounts for which they are financially responsible. Actual write-offs are charged against the allowance for doubtful accounts.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 8	The entire shortfall is treated as community benefit. Cost to charge ratio from the Medicare cost report was used.
Part III, Line 9b	All patients of Weeks Medical Center who have no insurance are notified of the Weeks Health Access Financial Assistance policy and encouraged to make an appointment with one of our Financial Counselors or Social Workers. This information is given out, along with financial assistance applications, at the time of appointment and is also available on our web-site and is reiterated with our monthly statements sent to the patient. It is impossible for our organization to determine if a patient is eligible for financial assistance until an application is filed - we do not access credit reports but rely on the patient supplying us with the necessary financial information. At that time of application, if a patient is determined to be eligible, they are provided with financial assistance.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part VI, Line 2	In 2016, North Country Healthcare partnered with the North Country Health Consortium based in Littleton, NH to complete a Community health needs assessment (CHNA) for the four affiliated hospitals. The initiatives will become part of the overall 2017-2019 Strategic Plan. The CHNA is available on the Weeks website.
Part VI, Line 3	The staff is trained to discuss the Hospital's charity care policy with patients, the policy is available throughout the Hospital in the brochure and it is available on the Hospital's website. Return Reference	Explanation
Form 990, Part VI, Section A, line 6	Effective April 1, 2016, North Country Healthcare (NCH) became the Sole Member of Weeks Medical Center

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section A, line 7a	In accordance with the Affiliation Agreement with North Country Healthcare (NCH), each Hospital's charter and bylaws were amended to effect the establishment of NCH as the sole member and to create a shared governance structure between the Board of Directors of NCH and the Boards of each Hospital. Each Hospital continues to maintain its own Board of Directors (Corporation Board) that is distinct from the NCH Board of Directors. However, the Bylaws of NCH and each Hospital identify certain "Major matters" (divided into organizational and operational matters) that require initiation and/or authorization by a majority of the NCH Board. Members of the Hospital Boards are nominated exclusively by the Hospitals. However, the election of any such director must be approved by both the Hospital Board and the NCH Board. Some examples of other organizational "Major matters" requiring the initiation and/or approval of the NCH Board include amendments to by-laws, election of officers, dissolution of a Hospital, merger decisions and hiring/termination of Hospital Presidents. Examples of operational "Major matters" requiring the initiation and/or approval of the NCH Board include approval of annual capital and operating budgets, adoption of compensation and benefit programs, approval of information technology systems, financial systems and auditors, plus approval of any major changes to clinical services offered. The Chief Executive Officer position at each of the Hospitals has been changed to a President position. As with Board members, each Hospital President must be nominated at the Hospital level and then approved by both the Hospital Board and the NCH Board. This position reports to both the applicable Hospital Board and the Chief Executive Officer of NCH. The Chief Financial Officer of each of the Hospitals will remain an appointed position by the President, but this individual will also report to the President/Chief Financial Officer of NCH.
