Before completing an application for charity care, patients are first asked to investigate whether or not they may be eligible for Medicare, Medicaid, Veteran's Benefits or other governmental or public assistance programs. The Hospital's qualifications for charity care are as follows 1) Charity care is limited to medically necessary services. Patients receiving certain elective services, such as those considered cosmetic, investigational or experimental, are expected to make payment arrangements in advance, as these types of services are not covered by the charity care program 2) Patient's family income must be at or below 300% of the

Charity Care The Hospital's charity care program is designed to assist those patients who are either uninsured, underinsured or have limited financial resources that impact

Part I, Line 3c	Brattleboro Memorial Hospital's Free Care program is designed to assist those patients who are either uninsured, underinsured or have limited financial resources that impact their ability to fully pay for their hospital care. When making application for Free Care, patients are first asked to investigate whether or not they may be eligible for Medicare, Medicaid, Veterans' Benefits or other governmental or public assistance programs. Free Care should always be the payor of last resort A. Qualifications for Free Care. Free Care is limited to medically necessary services. Patients receiving certain elective services, such as those considered cosmetic, investigational or experimental, are expected to make payment arrangements in advance, as these types of services are not covered by Free Care, 2. Patients' family income must be a or below 250% of the current Federal Poverty Income Guidelines for their family size, 3. Patients or their guarantors must complete a Free Care application and provide the hospital with verification of income Responsible parties may be asked to disclose the identity and amounts of any assets that could be used to pay for medical expenses NOTE. Income verification may be waived at the discretion of the Director of Patient Financial Services, particularly in those instances in which patients have subsequently qualified for Medicaid, or are deceased, with no estate, 4. Free Care applications will be processed within two weeks of the date of their receipt in our Business Office, 5. copayment balances due for which third-party coverage exists for part of the bill), the Hospital records a provision for bad debts in the period of service based on past experience, which indicates that many

patients are unable or unwilling to pay amounts for which they are financially responsible. The difference between the standard rates (or the discounted rates if negotiated or eligible) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged against the allowance for doubtful accounts During 2018, the Hospital increased its estimate from \$5,414,985 to \$7,177,617 in the allowance for doubtful accounts relating to colf-nay nationts, and during 2017 the Hospital degraced its

allowance for doubtful accounts relating to self-pay patients, and during 2017 the hospital decreased its
estimate from \$5,719,983 to \$5,414,985 in the allowance for doubtful accounts relating to self-pay
