Name: St Vincent's Medical Center Foundation Inc

Form 990 (2017)

Form 990, Part III, Line 4a:

During the fiscal year ended September 30, 2018, St Vincent's Foundation released approximately \$1.2 million to its affiliate St Vincent's Medical Center to pay for operating and capital needs. St Vincent's Medical Center received approximately \$959,000 in capital support, which primarily assisted in the purchase of needed medical equipment. Most of the equipment purchased will be used in breast health screenings and in respiratory therapy. The Medical Center also received approximately \$253,000 which was used to subsidize the operating costs of various Medical Center programs for which there is no other available funding source. During FY2018 these monies provided free blood pressure checks, free blood sugar and cholesterol screenings, and helped subsidize various symposiums and our "Women at Heart" care club (for heart-related diagnosis, education and treatment specifically for women). The monies provided free public lectures and screenings for cancer and subsidized the Hope Dispensary of Greater Bridgeport which provides short-term and long-term medication assistance to eligible patients (where most patients are below the 200 per cent Federal Poverty Level). The Medical Mission at Home, which is a program that provides free healthcare services to needy populations in the Greater Bridgeport area, was also supported with these funds. St Vincent's Foundation provided approximately \$967,000 to support the operating and capital needs of its affiliate, St Vincent's College. Operating funds, totaling approximately \$562,000, provided by the Foundation enabled the College to grant approximately \$556,000 in scholarships to students attending the College. These scholarships are subject to academic, as well as financial needs criteria. The Foundation also provided funds to assist with awards and with other operating needs of St Vincent's College. For capital needs, the College received \$395,000 which was used primarily to make improvements to the College's building and facilities. St Vincent's Foundation provided approximately \$861,000 to support other programs of the Medical Center. St Vincent's Foundation's "Swim Across the Sound" campaign provided approximately \$582,000 in support to SWIM programs. Since 1987, the SWIM has raised funds to offer over 40 different cancer education, screening and support services to cancer patients and their families. The SWIM offers a significant safety net to our region by providing one-on-one financial assistance to cancer patients in the community. In addition, the SWIM is dedicated to cancer prevention and early detection. Our mobile mammography program offers low-cost and free mammography screenings at community-based senior centers, churches, synagogues and other local facilities for the medically underserved, at risk women of southern Connecticut. The SWIM also helped cancer patients and their families through cancer support groups, nutrition classes, yoga, music therapy and massage for cancer patients, Sunday brunches for oncology patients and their families, transportation needs for non-ambulatory cancer patients undergoing treatment, subsidized nausea medication for patients receiving chemotherapy, purchases of prosthesis and wigs for cancer patients, subsidized at-home hospice assistance, and subsidized nutritional counseling. An additional \$279,000 in funding was provided from the Employee giving campaign conducted at St Vincent's Medical Center. St Vincent's is committed to reaffirming its outreach to the vulnerable and medically underserved. This commitment is shared by its employees who have generously contributed year after year to the Employee Giving Campaign. This campaign aided families who were in dire need of food, bedding, and clothing. This fund also assisted families who were at risk of becoming homeless or required emergency assistance with utility bills. The Foundation also provided approximately \$227,000 in funding to support the capital and operating needs of its affiliate St Vincent's Special Needs Services. Approximately \$46,000 of this support provided program enrichment activities, such as class field trips and other outings, to the clients of Special Needs Center. The remaining \$181,000 was used to purchase needed capital items including adaptive equipment and toys to assist in client care and to make improvements to client residential housing.
