Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Health Center and its subsidiaries are organized as Kansas not-for-profit corporations and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3), except for Health Enterprises. The entities recognized by the IRS as tax exempt are annually required to file Returns of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the tax exempt entities are subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. In those cases, those entities would file an Exempt Organization Business Income Tax Return (Form 990T) with the IRS to report its unrelated business taxable income. The Health Center believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. The Health Center would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.
