Form 990 (2017)

Form 990, Part III, Line 4a:

Advocacy & Organizing NARAL Pro-Choice America Foundation is a national leader in the fight for reproductive freedom, with 2.3 million members in all 50 states. We have deep organizing networks at the national and state level, built through years of investment in communications, research, and on-the-ground and digital mobilizing. In FY18 we - Organized and mobilized dozens of allies and millions of people to #StopKavanaugh. We shaped the national conversation about what's at stake for reproductive freedom and the future of the Supreme Court, created a steady drumbeat of pressure on leaders to stand for the values of the majority, and motivated millions of people to take action across the country through rallies, letter-writing, and phone banks. - Launched a critical national campaign to educate people about fake women's health centers when the Supreme Court took up *NIFLA v. Becerra*. #EndTheLies mobilized our members to educate people about fake women's health centers and expose the lies they use to block women from accessing abortion. Our members traveled from across the country to rally at the Supreme Court during oral arguments and talk with their representatives about the need for reproductive freedom. - Invested in our 2.3 million members, who are taking action across the country to protect and expand reproductive freedom by educating their representatives, signing up for phone banks, and turning out for house parties and events. We also launched our all-volunteer Action Council program in New York, California, and Washington D.C. These tireless volunteers are working to protect and expand their rights in their own states and throughout the country.

Form 990, Part III, Line 4b:

Government Relations Our government relations team operates at both the national and state level-including working closely with our affiliates-to track policies that expand access, as well as anti-choice restrictions on reproductive healthcare throughout the U S Our policy team tracks several hundred bills each year and advises our national team and state affiliates through regular consults We also successfully produced our 28th annual edition of "Who Decides? The Status of Reproductive Rights in the United States", which provides a comprehensive look at the status of womens reproductive freedom across the U S and is a definitive educational resource on how the current climate affects womens ability to access reproductive healthcare

Form 990, Part III, Line 4c:

Communications NARALs robust communications, digital, and research teams are pivotal in driving the national narrative on reproductive freedom and exposing the anti-choice opposition. In FY18, our opposition research team developed a major national report bringing to light the anti-choice movements decades-long effort to insinuate themselves in our government, policies, and policies. Our communications, digital, and research teams were instrumental in organizing and mobilizing our members, and engaging public discussion during our #StopKavanaugh and #EndTheLies campaigns, while reaching millions of people on-the-ground and online.
