Supplemental Information

Return Reference	Explanation
Part X, Line 2	Carilion recognizes a tax liability or asset for the estimated taxes payable or refundable on tax returns for current and prior years. Deferred tax assets and liabilities are recognized for the estimated future tax effects attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A tax benefit from an uncertain tax position is recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Uncertain tax positions may include the characterization of income, such as characterization of income as passive, a decision to exclude reporting taxable income in a tax return, or a decision to classify a transaction, entity, or other position in a tax return as tax exempt.

Part I, Line 2	The Foundation provides funds to other Carilion Clinic-related exempt organizations, patients, and employees as requested, in accordance with established fund usage criteria. The Foundation's hospital support includes a Grants Program which helps fund innovation, programs and resources that solely and directly benefit Carilion Clinic's operations via Carilion Clinic employee-led initiatives. The Foundation Grants Program begins with the application process including a series of detailed questions and a line item budget. Applications are first reviewed by the Foundation Board Review Committee and rated based on strategic relevance and need. The Committee's selections are prepared for the Foundation Board of Directors who select the programs that will receive funding. Applicants are invited to attend a Board meeting where they present their projects to the Board, from conception to completion. Grants are selected and awarded for the accomplishment of a definite purpose directly impacting the Clinic's operations within a specified time period. Each Grant recipient receives a Letter of Agreement (LOA) containing extensive details covering every aspect of the Grant. The LOA also states that each recipient is required to submit three progress reports at different intervals during the year. The LOA is signed by the Grant recipient and the recipient's department Vice President or Chair and returned to the Foundation. All expenses associated with the Grant must be approved by the Foundation's Chief Development Officer (CDO) and paid by invoice through the Foundation. All expenditures are tracked and recorded by line item and held within the Foundation.

Return Reference	Explanation
Part I, Line 4b	Nancy Howell Agee, President and Chief Executive Officer, participated in a pension restoration plan (Plan). The Plan was established in 1995 and its purpose is to restore the pension benefits that Ms. Agee would otherwise lose as a result of Internal Revenue Code limitations upon contributions to, and payment of benefits from, Carilion Clinic's tax qualified pension plan. In 2017, Ms. Agee became fully vested in the pension restoration benefit, requiring distribution of all benefits earned while participating in the Plan, which totaled \$10,310,500 before taxes. The benefits earned under the Plan reflect the value accumulated over Ms. Agee's 45 years of service to the organization through progressive leadership roles, including ten years as Chief Operating Officer and eight years in her current position as President and Chief Executive Officer. As benefits were earned under the Plan, accruals were reported in each of the organization's prior Form 990 filings as "retirement and other deferred compensation." Although the pension restoration benefits were earned over the course of Ms. Agee's career, the Form 990 requires that they be reported again as "other reportable compensation" in total in the current year when vested and paid. The 2017 payment represents Ms. Agee's entire benefit under the Plan. After 2017, Ms. Agee will no longer receive or accrue Plan benefits. Ms. Agee also participated in an executive flexible benefit plan, in which an allowance is provided annually to the participant for use in obtaining certain insurance benefits. The amount of allowance in excess of elected benefits is credited to a capital accumulation account (CAA) with a deferred vesting date of at least two years from the first day of the plan year. The CAA shall be distributed in a lump sum upon vesting while employed by a Carilion Clinic affiliate, disability, or 24 months following certain qualifying separations from service. Upon the death of the participant, the plan shall pay the participant's beneficiary according to terms. In 2017, \$235,410 in previously deferred amounts became vested under this plan and were paid. Although CAA contributions were previously reported on the Form 990 as "retirement and other deferred compensation" when allocated, the Form 990 requires that CAA amounts be reported again as "other reportable compensation" in the current year when vested and paid. The two deferred compensation plan payouts for Ms. Agee totaled \$10,545,910, as reflected in Schedule J, Part II, column (F). Ms. Agee, Mr. Conte, Mr. Halliwill, and Mr. Vaughan participate in a Defined Contribution Supplemental Executive Retirement Plan (DC SERP) in which the employer, at the discretion of Carilion Clinic's Compensation Committee, makes a contribution to an account established on its books for each eligible participant. If a participant ceases to be a participant prior to the vesting date, the account shall be forfeited. A lump sum distribution shall be made upon the participant's vesting date, death, or disability. No distributions were made under this plan in the reporting year. Unvested contributions made to the DC SERP in 2017 are reported on the Form 990 as "retirement and other deferred compensation."
