Return Reference	Explanation
Schedule R, Part II	To partially fund the construction of the new sports complex, The Upward Star Center, Upward Unlimited entered into a New Markets Tax Credit (NMTC) financing arrangement on January 23, 2015. The NMTC Program was established under federal law by the Community Renewal Tax Relief Act of 2000. The program is designed to spur new or increased investments into operating businesses and real estate projects located in low-income communities by offering investors a federal tax credit in exchange for the investments. To earn the tax credit, the NMTC investor must remain invested for a seven-year period, which will end in 2022 for our project. As part of this financing arrangement, the Foundation issued \$10.2 million as a note receivable to an investment fund, Upward Spartanburg Investment Fund, LLC, becoming a leveraged lender. Of this amount, \$2 million was acquired from a financial institution as a bridge loan. The investor, a financial institution, provided approximately \$4.8 million to the fund as a note receivable representing the value of tax credits to be realized over the seven-year period. This investment fund in turn made investments in two Community Development Entities (CDEs) and holds 99.99% of investor member interests in the CDEs. The CDEs made loans totaling \$15 million to the Upward Star Center project. As part of this financing arrangement Upward has entered into a put and call agreement to take place at the end of the seven-year tax credit period. Under this agreement, the NMTC investor can exercise an option to sell its interest in the investment fund to Upward for \$1,500. At that point, the investor will have realized the full benefit of the tax credits. Upon exercise of this option, the investor note of approximately \$4.8 million is to be cancelled providing a future benefit to Upward of that amount. The note receivable with the investment fund mentioned above for the Foundation is receiving quarterly interest only payments for the first seven years at an interest rate of 3.5% per annum and matures on January 23, 2039. Upward determined the allowance for estimated losses on the note by looking at historic payment information. Upward has not established an allowance for estimated losses, because, based upon historical payments and the nature of the affiliated organizations involved, all amounts are collectible. Upward monitors the credit quality of its note annually. As of September 30, 2018 the full amount of the loan is current and performing.
