990 Schedule O, Supplemental Information

Return Reference	Explanation
Part VI, Section C, Line 15a	In setting the President's compensation, the board followed the procedures set forth in the Internal Revenue Code and Treasury Regulations Section 53.4958 to establish a rebuttable presumption that the total compensation offered to the chief executive is fair, reasonable, and not excessive. Prior to approving the compensation arrangement, an independent body of directors was formed to conduct a comparability review of the proposed compensation. This independent body did not include the chief executive or any directors having a conflict of interest with respect to the proposed transaction. The independent directors have obtained data of comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations. Such comparable compensation data was obtained from publicly available IRS Form 990s. The independent directors have determined an annual salary that is fair, reasonable, and not excessive in comparison to salaries of similarly qualified persons in functionally comparable positions at similarly situated organizations.
