Activity One

The Foundation was incorporated in May 2018. Therefore, much of the work through November 2018 was spent setting up the organization (both legally and logistically), including hiring and onboarding the executive director and setting up an administrative office. During this time, the executive director increased her understanding of the Foundation's mission, its short- and long-term priorities, and the dynamic with each local mountain community in order to understand their funding needs.
