Return Reference	Explanation																																																																					
Part III, Additional Information	<p>In reference to Form 990, Part VII and Schedule J Part II, no compensation is paid by the filing entity to any director (trustee) for his or her role as director (trustee). The officers of the filing entity are all compensated by BHS Management Services, Inc., ("BHSMS"), a supporting organization of the filing entity. A portion of the compensation amount paid to officers of the filing entity is allocated internally among the filing entity and its 20 associated non-profit, tax-exempt entities and, in the case of the chief executive officer, six other entities in order to reflect the division of the officers' time and effort among those various entities and each entity's relative contribution to the officers' total compensation. (See Below) Compensation of the chief executive officer of the filing entity is reviewed and established at least biannually by the independent volunteer governing body of the Berkshire Health Systems, Inc., (the parent company of BHSMS) based on performance reviews and comparison to independently established, regionally appropriate benchmarks for similar positions in similarly sized healthcare organizations, as verified by independent, nationally recognized compensation consultants. Compensation of the president of the filing entity is reviewed and established at least biannually by the independent volunteer governing body of Berkshire Healthcare Systems, Inc., (the filing entity or parent company of the filing entity) based on performance reviews and comparison to independently established, regionally appropriate benchmarks for similar positions in similarly sized healthcare organizations, as verified by independent, nationally recognized compensation consultants. Compensation of any other officers and key employees is set in accordance with governing-body established principles based on comparable benchmarks identified by such independent consultants. The governing bodies currently target total compensation for management employees at the 60th percentile of appropriate benchmarks.</p> <table border="0"> <tr> <td>David E.
