\$339,820,439 A DETAILED ACCOUNTING OF GRANT AL															

Return Reference	Explanation
PART I, LINE 1	In MSF USA, the Program Committee (PC) of the Board of Directors is the body that has the primary responsibility of overseeing the distribution of private grants. The PC reviews funding requests and all funding issues, and makes recommendations on the distribution of private grants to the full Board of Directors (BOD). The full BOD, taking these recommendations into consideration, has the final vote on the distribution of all private grants. The PC works closely with the Program and Finance Departments of MSF USA. The PC has delegated to Program and Finance staff the authority to appraise and review grant proposals, reports and funding requests, and in some cases to respond to requests for funding, to maintain communication with the OCs funded by MSF USA, and to attend relevant OC operational meetings on the PC's behalf. The Grants Manager manages the administration involved in the distribution of private grants and keeps the PC informed of all necessary issues related to private grants and the entities MSF USA is funding. The Grants Manager, Program Officers, Finance Director, Director of Internal Operations and Executive Director meet periodically to follow the grants process. In this capacity, Program Department staff and the Grants Manager make recommendations to the PC on the distribution of private grants and on other related funding issues, which the PC takes into consideration when making its recommendations to the full BOD. At the beginning of each fiscal year, the PC sets its Grant Making Strategic Orientations and Priorities outlining the PC's funding criteria for the fiscal year. The PC appraises grants and funding requests based on the standing Grant Making Strategic Orientations and Priorities. At the beginning of each fiscal year, the PC, in conjunction with the Grants Manager and Program and Finance Staff, also reviews and revises as necessary the present document, to ensure all procedures and processes are up to date and in line with current strategic orientations and priorities, and with current US legal requirements. This document includes procedures for two distinct funding processes: the multipurpose grant and individual project grants. Grants based on the MSF Resource Sharing Agreement are generally administered through the multipurpose grant process. At the beginning of each fiscal year MSF USA informs each of the OCs of the amount of their annual multipurpose grant envelope. Other funding processes may be applied in conjunction with, or in lieu of, the multipurpose grant process, depending on needs and Board prerogative. Funding for MSF international entities/projects (e.g. MSF International Office) and funds coordinated through an Emergency Funding Mechanism are administered through the individual grant process. MULTIPURPOSE GRANT PROCESS -At the beginning of the year, each OC requesting a multipurpose grant for the year give a presentation to the PC/BOD on its Operational Plan for the year. Each OC also submits its written Annual Plan and/or Operational Plan as reference. -The OC submits a list of allocations and projects for which they will use their multipurpose grant to MSF USA. - The Grants Manager prepares a multipurpose grant appraisal, including key details of the OC's annual and strategic plans and the proposed list of allocations and project details. The PC and BOD review and vote on this list, taking into consideration the OC's Operational Plan presentation. The PC and BOD may dictate that the multipurpose grant not be used for certain countries or contexts, e.g. countries subject to U.S. government sanctions, etc. -Mid-year the OC joins a PC meeting by phone and gives an update on its operations. If, at any point, the PC or BOD is of the view that the OC is deviating from the Operational Plan as it was presented, MSF USA can revert from the multipurpose grant process to an individual project grant approval process. -Throughout the year MSF USA and the OC maintain ongoing discussions on funding issues. The list of countries and allocations are subject to change according to budget revisions, the needs of the field, unforeseen events, emergencies, fundraising needs and receipt of earmarked funds. These changes must be mutually agreed upon by the OC and MSF USA's Program and Finance departments, pursuant to authority delegated to those departments by the PC. -At or after the end of the fiscal year (within 60 days), the OC submits the final list of the countries and allocations, along with the list of specific projects within each of these countries for which the MSF USA multipurpose grant will be used, for PC and BOD approval. The PC and BOD can request modifications to this list, before giving their approval. -The OC must submit all external audits conducted on field projects or country missions funded by MSF USA, and any internal audits/evaluations which disclose adverse financial or programmatic findings. - Within 90 days of the end of the fiscal year, the OC submits a final narrative and financial report, which includes information on all projects which MSF USA funded. The Grants Manager reviews the final report and ensures that the narrative content and final financials conform to the final country list and allocations previously approved by the PC/BOD. The PC is informed of the receipt and review of the report. In the event that the final report deviates from the contract agreement or from MSF USA's audited financials or that the programmatic activities or descriptions deviate from those agreed upon by MSF USA, MSF USA may consider the deviation an overpayment of funds and will adjust the OC's grant in the subsequent year, or require a refund. INDIVIDUAL PROJECT GRANT PROCESS - MSF USA informs the grantee of the amount available for individual projects and the grantee submits a tentative list of projects for which they will request funding. - For each project, the grantee submits a narrative proposal and a budget proposal. The Grants Manager of MSF USA reviews these and writes an appraisal of the project, in consultation with Program or Medical staff as necessary. The appraisal includes a description of the basis for the grant request: for example, the MSF Resource Sharing Agreement. -Each appraisal is presented to the PC. The PC votes to recommend or not recommend that the BOD fund the project. The BOD then votes to approve or reject funding of the project. -Additional allocations to the same project or revisions of the allocation amount to a particular project must go through the PC and BOD approval process. -The grantee must submit all external audits conducted on field projects or country missions funded by MSF USA, and any internal audits/evaluations that disclose adverse financial or programmatic findings. -At the end of the year the grantee submits a final narrative and financial report for each individual project grant funded with MSF USA funds. The Grants Manager reviews these and the PC is informed of the receipt and review of each final report.
