<b>Return Reference</b>	<b>Explanation</b>
Form 990, Page 2, Part III, Line 4b	<p>High School- JED is continuing to grow its High School Programming with a focus on emotional preparation for the transition from high school to college. JED's key high school program is Set to Go (settogo.org), which launched in 2017. Set to Go guides students, families and high school educators through important social, emotional and mental health considerations related to the transition out of high school to college and adulthood. In 2019, Set to Go is reaching at least 500,000 teens and parents with essential information and resources about emotional health and well-being. A new Set to Go curriculum is being piloted in several high schools across the country and JED resources are reaching 1,700 schools (includes all grades K-12) in the New York City area through a partnership with the Department of Education's School Mental Health program, The Mayor's Fund to Advance New York City, and ThriveNYC. We also began work to develop our Comprehensive Approach to Mental Health and Suicide Prevention for High Schools. This framework will provide a series of recommendations for schools on how to approach mental health and suicide prevention and form the basis of the technical assistance we provide to them. In addition, in partnership with the Healthy Minds Network at the University of Michigan, we began work on a Healthy Minds for High School survey, the first national survey instrument to assess the prevalence of mental health issues among high school students and gain insight into their attitudes about mental health.</p>
