990 Schedule A, Supplemental Information

Return Reference	Explanation
Support Schedule Additional Supplemental Information	The Corporation periodically receives solicited and unsolicited contributions and pledges, often restricted to specific projects and/or facilities. A significant factor temporarily contributing to the decrease in the calculated percentage of public support has been the impact of large contributions by several donors who originally provided a significant portion of the capital campaign that enabled the High Schools construction but have also recently committed substantial donations and pledges necessary to fund significant expansion of the school facilities. Once these pledge commitments have been received in full, the calculation will revert to one evidencing broader public support.
