Form 990 (2018)

Form 990, Part III, Line 4a:

During 2018, there were three international QSTI-2 training courses conducted in Europe and two in the United States. Thirty students graduated from the training program including one master training candidate. There were approximately ten QSTI parent on-line courses, three down syndrome courses and two QST-1 courses. Each of the students that successfully completed the course and met rigorous expectations were certified. We developed an online learning platform (moodle). This has allowed for more effective and efficient trainings and delivery of content. This has led to a positive experience for both the student and the trainer. We published two books during 2018 and a third will be published in the spring of 2019. There has been a significant effort to revise our Google AdWords and to optimize our grant from Google. This has led to a number of marketing opportunities. At the end of 2018, we hired a grant writer to apply and help manage small grants. The grant writer has taken on various tasks assigned by the director.
