Supplemental Information

Return Reference	Explanation
Pt X, Line 2	The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken a position that is uncertain. An uncertain position is defined as one in which there is a 50% or greater likelihood that the position will not be sustained upon examination by a taxing authority. Management has analyzed the tax positions taken by the Organization and has concluded that as of December 31, 2017, there are no uncertain tax positions taken or expected to be taken. The Organization has recognized no interest or penalties related to uncertain tax positions. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes the Organization is no longer subject to income tax examinations for years prior to 2015.
