Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☒**1** Briefly describe the organization's mission

The Oregon Chiropractic Association is an organization for doctors by doctors. We are dedicated to the service of our members, our profession, and to the enhancement of the quality of life of our patients. We are committed to the education of our members, our patients, other healthcare professionals, and the public at large. Free from discrimination or interference, we support the basic human right for a patient to select the type of care and the healthcare provider of their choice. We believe that all persons should have direct access to chiropractic care. We ultimately see chiropractic as the "logical first resource for health." We embrace chiropractic as a unique healthcare discipline that leads the field of health and wellness, one that focuses on the restoration of health by promoting the innate recuperative and restorative powers of the human body, without the use of unnecessary drugs or surgery. We believe that chiropractic should maintain its unique identity while working cooperatively with other healthcare providers.
