Part IX-A summary of direct charitable activities:

The Foundation was organized on August 26, 2010 and was incorporated as a Virginia non-stock not-for-profit corporation on August 30, 2010. The Foundation is a 501(c)(3) tax-exempt grant-making non-operating private foundation devoted to charitable, scientific, literary and educational purposes, particularly the care of and prevention of cruelty to animals, the support of the arts, and the support of childhood education through the encouragement, recognition and reward, by means of scholarships, fellowships, prizes and/or awards, of outstanding or exceptional academic achievement, primarily by elementary, middle and secondary school students and teachers, particularly in the areas of physics, chemistry, mathematics, the performing and fine arts, reading, language and literature.

During fiscal 2018, the Board of Directors approved the award of five small grants payable to charitable, artistic and educational organizations. A \$1000 grant went to the Francisvale Home for Smaller Animals, an animal shelter in Radner, PA (see below). \$1000 was granted to the Richmond, VA SPCA; a \$250 grant went to local public television/radio broadcaster WHRO; and \$500 was awarded to the Williamsburg-James City County Community Action Agency to help fund its Head Start program. An additional grant of \$250 was approved for the College of William & Mary's annual Virginia Shakespeare Festival, but the Foundation's payment was returned and the grant was rescinded because the Festival ceased operations.

ADDITIONAL SCHEDULES 2018 page 2 of 2

Part IX-A continued:

The Francisvale Home for Smaller Animals is a no-kill animal shelter whose mission is to accept adoptable dogs and cats and provide them with loving care while looking for permanent homes. It not only shelters and places abused, unwanted and abandoned companion animals, it educates the community to raise public awareness of the plight of homeless animals, ensures that all pets receive medically necessary treatment, places animals in carefully screened new homes, and manages and operates a pet cemetery. Francisvale is the epitome of an organization devoted to one of the core missions of the Foundation, and further grants are likely to be forthcoming in future years.

The Richmond SPCA is a local organization devoted to delivering vulnerable animals from lives of misery, abuse and neglect, and providing crucially important programs and services to pets and people in the greater Richmond, Virginia area. In its most recent fiscal year, the Richmond SPCA delivered care to 4,119 homeless animals in its shelter; gave essential veterinary treatment and rehabilitation to 3,505 sick and injured homeless pets; provided full-service, low cost veterinary services in its animal hospital to over 11,300 patients belonging to families of low income, dogs and cats in the care of government shelters, and adopted pets; and advocated for progressive animal welfare philosophies and legislation.

Part X line 4 cash held for charitable activities:

The Foundation's assets consist primarily of small amounts of cash and investments. It is the current intention of the Board of Directors to award grants during 2019 that match or have a higher total value than those awarded in 2018. In addition, the Treasurer is of the opinion that another \$500 of the Foundation's cash balance may be needed during 2019 for administrative and operating expenses and reserves. Therefore, the sum of \$3500 has been deemed "held for charitable activities" in Part X line 4 even though this amount exceeds the 1½% general rule.
