Norton Healthcare, Inc. (NHC) engages an outside independent compensation consultant, Integrated Healthcare Strategies (IHS), to provide comparability data for NHC's officers and key employees on total compensation for similar positions at health systems and hospital organizations similar in size, scope of services, and circumstances. In addition, the organization participates in third party surveys which provide aggregate, comparative compensation data for officers and key employees in similar positions at similar organizations. IHS consultants presented and discussed this comparability data in 2017 for the 2018 compensation review and met in 2018 for the 2019 compensation review with the committee of board leadership (now Executive Committee) of the Board of Trustees (Board). The Committee reviewed the executive compensation and benefits program, determined total compensation for the CEO, and approved compensation for other officers and key employees. The Committee reviewed NHC's variable compensation program and determined appropriate awards for performance relative to goals set for the year. After the Committee determined appropriate compensation and benefits for officers and key employees, the Board approved their total compensation.
