Application Procedures

The Moriah Fund does not accept unsolicited proposals.

Initial Approach—Letter of Inquiry

First-time applicants to the Moriah Fund must submit a short one page letter of inquiry. Letters of inquiry are reviewed throughout the year. The letter of inquiry should include history, purpose and goals of the organization, amount of funding requested; purpose and activities of the project/program for which funds are requested, and total budget(s) of the organization and the project/program. Based on this letter, the Moriah Fund staff will decide whether to invite a full proposal, and will notify applicants as soon as possible.

Proposal Deadlines

The Moriah Fund program board meets twice a year to consider proposals. Complete proposals must be received by March 1st to be considered for the spring grant cycle (May) and by September 1st to be considered for the fall grant cycle (November). If the deadline falls on a weekend or holiday, the proposal will be accepted the next business day. Proposals to the Israel Program must be submitted earlier. Applications for the spring grant cycle are due on February 1st and applications for the fall grant cycle are due on July 1st.

Required Information

Proposals should follow the Moriah Fund's Application Guidelines and must include all information requested. There are two sets of application guidelines, one for returning grantees and one for new grantees. Application guidelines differ depending on if you are applying for a project or general support grant and by the amount of money being requested. Current grantees must include a brief progress report on their existing grants. Progress report guidelines are included in the application guidelines for grant renewals.

We encourage proposal (and other) submissions on non-chlorine bleached recycled paper, using both sides. Please send only one copy of the proposal and supporting material and either email or mail in your application. For local programs in the District of Columbia, the Moriah Fund will accept the Washington Regional Association of Grantmaker's Common Grant Application but it must include all the information requested in our guidelines.

Funding Limitations

Funding is limited to areas described in our program guidelines. Moriah does not provide support for individuals, private foundations, the arts, medical research, lobbying or political campaigns, or non-U.S. organizations.

Funding Limitations

IMPORTANT: NEW GUIDELINES

The Moriah Fund no longer accepts or reviews unsolicited proposals. Our grantmaking is by invitation-only.

General:

Funding is limited to areas described in our [Program Guidelines](#). Moriah does not provide support for individuals, private foundations, the arts, films or videos, medical research, lobbying or political campaigns.

Israel:

The Israel Program gives priority to grassroots and community-based organizations, advocacy activities, and the development of model programs that can affect national policies. In general, Moriah does not fund service delivery projects, nor does it provide funds for the arts, medical or academic research, private foundations, or scholarships or grants to individuals. The Israel Program no longer provides support for co-existence, environment, and religious pluralism programs. Inquiries about funding for the CIS immigrant population should be directed to the New Israel Fund.

Economic Justice:

The Economic Justice Program is not currently soliciting proposals from direct service organizations. Support for work on state level policy issues is limited to the District of Columbia, Maryland and Virginia. Moriah does not provide support for medical research, scholarships or grants to individuals.

Women's Rights and Reproductive Health:

The Women's Rights and Reproductive Health Program supports programs that are international in scope, or that focus on the United States. In the United States, the program funds only national policy and advocacy, it does not accept proposals for local projects. The WRRH program does not provide funds for basic research, unless it is part of an explicit strategy for policy reform or improved reproductive health service delivery. The program does not fund direct services, unless they are designed to influence public policy, and/or strengthen women's leadership and rights. Finally, the program does not provide support for microcredit, education, arts or general health programs, nor does it fund video productions, medical research, scholarships or grants to individuals.

Human Rights:

The Moriah Fund has a strong commitment to human rights and funds a variety of human rights efforts throughout its program areas. For example, within the Israel Program, Moriah Fund places an emphasis on the rights of Arab and Ethiopian citizens of Israel, and in the Women's Rights and Reproductive Health Program, Moriah Fund devotes a portion of our grantmaking to organizations that integrate human rights strategies and mechanisms into efforts to promote women's rights. We also support other international human rights programs such as the Fund for Global Human Rights, which is raising and directing funds to frontline, in-country human rights activists worldwide.

Education:

The Education Program seeks to improve access to and delivery of excellent schools to underserved and special needs children while advocating for improved educational opportunities for all children. Some of the organizations that the Moriah Fund supports in this area develop innovative school models drawing on best practices including hybrid learning and flexible scheduling or attract more minority teachers into the profession and work to support them while they apprentice to become even better master teachers.
