Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The Internal Revenue Service has ruled that OHA and the Program are tax-exempt organizations as defined under Section 501(c)(6). OHA and the Program are not subject to federal income taxes, except for income from unrelated business activities, if any. Management does not believe there are any significant tax liabilities related to Ohio Healthcare Purchasing, Inc. Accordingly, no provision for federal income taxes has been made in the combined financial statements. Accounting principles generally accepted in the United States of America prescribe recognition thresholds and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Tax benefits will be recognized only if the tax position is more likely-than-not sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. Management has concluded that they are unaware of any tax benefits or liabilities to be recognized at December 31, 2018 and 2017.
