Supplemental Information

Return Reference	Explanation
Part IV, Line 2b	The Center for Community Solutions ("CCS") holds cash for an organization for which CCS is the fiscal agent. Fiscal agency funds held is reflected as an asset and corresponding liability.

Supplemental Information

Return Reference	Explanation
Part V, Line 4	The endowment consists of approximately 40 individual donor-restricted endowment funds established for a variety of purposes, as well as funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence of donor-imposed restrictions. Funds from the endowment are used to provide a predictable stream of funding for supported programs. The Organization's Board typically approves a distribution of 5% each year based on a quarterly rolling average with the distribution being treated as funding income available for the supported programs.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Organization adopted the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in their financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes and accounting in interim periods. At December 31, 2018, there were no unrecognized tax benefits identified or recorded as liabilities.
