Part X FIN48 Footnote	The Organization has adopted FASB ASC 740-10-25, Accounting for Uncertainty in Income Taxes. The Organization will record a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by the taxing authority. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The Organization's evaluation on December 31, 2018 revealed no uncertain tax positions that would have a material impact on the financial statements. The Organization does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements. Income tax returns for the year ended December 31, 2016 and subsequent years are still subject to examination by the taxing authorities.
