The Community Grants program made a valuable community impact related to increased early identification of children with an FASD by incorporating screening into standard protocols, increased access to employment services for individuals with an FASD, culturally specific programming, legal advocacy for students with an FASD, programs that provided family support, and opportunities for young adults with an FASD to learn and practice social and life skills. This program reaches communities all across the state.

**4b** (Code: ) (Expenses \$ 337,537 including grants of \$ ) (Revenue \$ )

Supporting individuals with a FASD and their families and caregivers is a core component of the work that was accomplished at Proof Alliance in 2018. The network of peer supporters in family engagement provided significant support to caregivers. A wide variety of virtual and in-person supports were offered to birth, foster, adoptive, and kinship caregivers. Retreats, Virtual Family Center, and Circle of Hope Birth Mom Support groups are just a few examples of the many support options available for caregivers. This work continues to expand and grow based on the needs of the growing FASD community. Additionally, in-person activities such as retreats and family trainings are offered throughout the state.

**4c** (Code: ) (Expenses \$ 413,483 including grants of \$ ) (Revenue \$ )

The Community of Recovery Aiding Families in Transition (CRAFT) prevention program serves women with a history of substance use disorders who are either pregnant or parenting young children. In 3 1/2 years, the program served 298 women at an average cost of \$2467 per family for the entire period, or \$705 per family per year. Only four babies were born with prenatal substance exposure during that period. The program works by addressing root problems for the most vulnerable families by connecting them with existing community resources. With this ongoing support, mothers with substance use disorders can maintain sobriety and lead healthy lives with their children.

**4d** Other program services. (Describe in Schedule O.)

Part X Line 2 Proof Alliance has received notification that it qualifies as a tax-exempt

organization under Section 501(c)(3) of the US Internal Revenue Code and corresponding

provisions of State law and, accordingly, is not subject to federal or state income taxes

However, unrelated business income be subject to taxation. Accounting principles generally

accepted in the USA require the organization to evaluate positions taken and recognize a

tax liability (or asset) if they have taken an uncertain position that more likely than

not would not be sustained upon examination by applicable tax authorities. Management has

analyzed tax positions taken and has concluded that as of December 31, 2018 and 2017,

there are no uncertain positions taken or expected to be taken that would require

recognition of a liability or asset or disclosure in the financial statements. The

organization is subject to routine audits by taxing jurisdictions; however, there are

currently no audits in progress for any tax periods
