Pt I Line 2	The Organization has no formal procedure for monitoring the use of grant/assistance funds. Funds are granted based on a preliminary review of the need and/or purpose as communicated by the individual or organization making the request. As members of the community, members of the Organization are usually able to observe first hand how the funds are used and if they are used for the requested need/purpose. If possible, the Organization will grant funds to an administrative body which in turn will use the funds for the intended benefit/purpose. If another request is made at a subsequent date, the Organization is able to ask pertinent questions as to the benefits realized from the prior grant before another grant is considered.
